

SYFA Jerky Sales

Frequently Asked Questions

Q: Is there an app to download?

A: No! All sales will be done via the MyFruitSales website

Q: What if I have multiple players in the program?

A: You will need to use different emails to set up the account. If you wish to have them sell under the same account please email syfafundraising@gmail.com so we can track prizes accordingly. (i.e. if they raise \$500, they will each get the \$250 prizes)

Q: What if someone wants to send a cash or check?

A: All sales and donations need to be tracked online so we can determine prizes. An option is for you to make the purchase on their behalf, and they send you the money.

Q: When will jerky be delivered?

A: The jerky will arrive mid-September and your player's coach or team manager will pick up the jerky for your group. They will then hand it out at the next practice. Your player is responsible for delivering the jerky to the purchaser.

Q: What if I have issues setting up my account or selling jerky?

A: Contact Amy Kuehn, SYFA Fundraising Director: syfafundraising@gmail.com

Q: What are the jerky options?

A: There are many options this year! See the screen shot below! NEW this year is coffee!

Q: What if someone would like to support my player, but they do not want to purchase jerky or coffee?

A: Donations made via your player's account also counts towards their prize!

REMINDER: if you do **NOT** sell jerky/coffee or receive donations totaling over \$50, your donation check from gear day will be cashed.
