Approval of Minutes

- Will be presented at a later date

Reports

President

- Parent request for partial refund for injured player. Board made the decision to deny the request so as not to set a precedent. The option for insurance is offered through SportsEngine for just such an occasion.
- Possible golf tourney for 1 big fundraiser?

Treasurer

- Some back payments being taken care of.
- Ice time bills for November on should be forthcoming
- Coaches mixer came to \$900. Well worth it.

Scheduler

- Continued issues with coaches/managers changing the schedule in the name of being helpful, but this seriously makes Andy's job harder. A letter will be sent to make everyone aware that all changes in scheduling must go through Andy.

Coaching Coordinator

- Head coach interest letters went out. Hoping to have all interested candidates by Feb 1.

Dir of HS Hockey

- Preparations for Senior Night.
- Put out initial feeler for kids interested in Modified to have a meeting with parents and dispel worries about checking, etc.
- HS season going as expected.

Website

- Nothing to report

Registrar

- LTPH up to 29 for the new session.

Mites

- Selects played tourney in December. Won 3 of their 4 games. Doing very well.
- Properly fitting goalie pads and sticks needed.

Social Media/Marketing

- Nothing to report

Player Development

- Player eval forms coming for coaches w/ skills to work on for following season
- Coaching review forms for majors in each division?
- Powerskating, Edge, and Goalie clinics next season

New Business

- 14U - Pull the plug? Forfeiting games, confrontations between parents/coaches, lack of discipline.
- Brian, Mike, Andy meet with team with the understanding that if things do not change, they can potentially lose locker room privileges and ultimately, the team will be folded.
- Needs to be more follow-through with players who violate the code of conduct. Coaches need to be empowered and also held accountable to sit or otherwise discipline players, no matter who it is.
- 40th Anniversary is next year. Start thinking of ideas on how we can celebrate it. Possible alumni game? Street Hockey Tourney/Festival?

Meeting adjourned at 9:27pm
