## “Taking Girls Club Soccer to A New Level In NWA”

**We are excited to announce a new concept, a new opportunity, and a new era of soccer.....**

The two most successful soccer clubs in NWA, Arkansas Comets & Sporting Arkansas have partnered to create an elite club program called “**sAc Elite**” (Sporting Arkansas Comets).

This new opportunity will be available to the following girls age groups for the upcoming 2019/2020 seasons: 04G, 03G, 01/02G (16U, 17U, 19U). A team of dedicated and experienced coaches from both clubs will provide top level training for teams. **sAc Elite** teams will participate in the highly competitive Red River Division of the National Premier League and will attend college showcase events/tournaments. This partnership will continue to push and elevate the quality of girls’ soccer in our area and provide unparalleled opportunities for players who want to develop into collegiate level athletes.

Interested players must register for tryouts using this link:
