

2019 opened with a BANG for Indiana Girls Wrestling. The first month of January was packed full of wrestling opportunities for girls of all ages throughout the state. We (ISWA) have been working hard to communicate with clubs to add all girls' divisions. For starters, Martinsville 2/17/2019, New Palestine 2/24/2019, and Beech Grove 3/3/2019 will all have girls' divisions in the upcoming months.

The 3rd Annual IHSGW (Indiana High School Girls Wrestling) State grew from 132 girls in 2018 from both the North and South Regionals to 168 girls in 2019. It was held once again at Hamilton Heights on January 11 setting the stage for some exciting high school women's wrestling. The evening was beautifully orchestrated by Pat Culp, Gary Myers and friends with team introductions under a spotlight and 4 full mats of wrestling. 109 girls competed for the right to say they were the 2019 IHSGW State Champion. Here are the results.
