Coach of the Year*

Dear Neighbor,

Last season, Husky Football achieved new milestones thanks to supporters like you. As we look forward to another exciting year, we invite you to help our student-athletes reach even greater heights this season. Our players, coaching staff, and families are dedicated to building a program that embodies teamwork, responsibility, and a strong work ethic, values we believe our community shares and celebrates. Your support is an investment in the continued growth and success of our student athletes.

This year, rising costs for equipment, transportation, and feeding our student athletes present new challenges. Each year, we work hard to provide our athletes with the equipment, opportunities, and resources they need to excel both on and off the field. The Touchdown Club raises funds to ensure that financial constraints never limit our players' potential or the experience we offer. Your contribution helps provide the best possible environment for our team.

There are many ways to make a difference:

- Become a sponsor and advertise on our Husky Football social media channels and website, which reach over 3.5 million views each season
- Purchase banners or signs for display in our stadium and press box
- Sponsor digital ads on our scoreboard throughout the season
- Support our weekly team meals or contribute to individual player sponsorship goals

Will you make a gift today to empower our players and strengthen the Husky Football program? Every contribution helps to provide outstanding opportunities for our athletes.

The Touchdown Club is a registered non-profit program; all donations are fully tax-deductible. Tax identification information is available upon request. We are grateful for any support you can provide, and we truly appreciate your consideration. Your generosity directly benefits our student-athletes and helps us continue a proud tradition of excellence at Centennial High School.

Thank you for investing in the future of Husky Football!

Sincerely,

The Touchdown Club
