

**PEGASUS**  
SLOWPITCH SOFTBALL ASSOCIATION

3/11/2020

PSSA Members & Supporters:

As concerns rise concerning the spread of COVID-19 (Coronavirus), I assure you that PSSA's Board of Governors is closely monitoring the situation as it surrounds our games, events and tournament. We are in contact with the city and are constantly reviewing all information from health authorities as it relates to our organization.

At this time, no changes have occurred to our scheduled events and games, but that could change as events unfold in the coming weeks. We will keep all members apprised of the situation and update you on any changes that may be required as we move forward.

In the meantime, PSSA recommends that all members and supporters follow the CDC guidelines for protecting themselves and preventing the spread of COVID-19. That means:

- Stay home from games and events when you are sick.
- Cover your coughs and sneezes with a tissue, and then throw the tissue in the trash.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Clean frequently touched surfaces and objects daily.
- Avoid sharing cups, utensils, water bottles, etc.

In addition, PSSA will disinfect bats after use each Sunday to reduce potential exposure from player to player.

The health and safety of our players, coaches, umpires and supporters is of the utmost importance. We will continue to monitor the situation and make any needed adjustments to our policies, as they are required.

Mark Fiorello  
Commissioner  
PSSA
