

# CELEBRATING INTERNATIONAL WOMEN'S DAY

AND BUILDING A HOME FOR  
WOMEN'S SOCCER

Toronto Azzurri S.C. is committed to introducing young women in the community to the game of soccer and the joys of spending time in playing alongside their peers.

Our developmental programs strive to not only teach young girls the basics of the game, but also give them an opportunity to form lasting friendships through the time spent together.

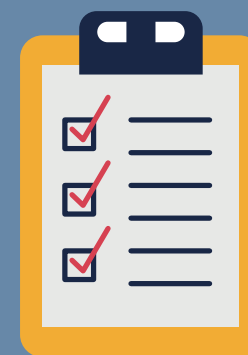

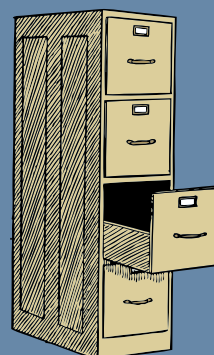

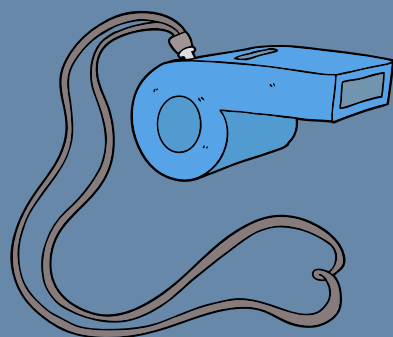

Successful programs in the game of soccer involve contributions at all levels, not just from players front and centre on the field.

Louise  
Secretary

Nicole  
Coach

We are proud to have women playing significant roles throughout our club from office administration to onfield talent development.

Olivia  
Coach

Most importantly, we  
always welcome more  
women to get involved in  
the Toronto Azzurri  
soccer community

and we are always ready to  
adapt and improve in order  
to make our club a better  
home for women's soccer.

*Happy  
International  
Women's Day*
