Board Present: Younggren, Schrimpf, Fieck, Hermes, Jacobson, Wamsley, Kattre

Board Absent: Zych, Seibert, Heitz

Submitted By: Tom Jacobson

Minutes

- Agendas were distributed. Minutes from the December 10, 2023 meeting will be distributed via e-mail at a later date.

Financials

- No major updates at the time.

OYBL

- The first few weekends of OYBL games are under way and there has been limited issues/feedback. One compliment was received regarding the 3rd/4th grade referees.
- The Food Drive and Picture Day was a success. Picture Day turnout was not great, but it helped encourage participation in the Food Drive.
 - Food Drive donations of \$7,200 and 2,400 pounds of food.
 - OYBL to make a donation of \$1,300 to increase total funds donated to \$8,500. Motion carried 7-0.
- 1st/2nd grade final day was January 20th. Generally positive feedback received with Coach Jahn running the sessions.

Travel

- BDL communication continues to be an issue. Some sites are better than others, including officials.
- Due to a personal situation, the 7th grade boys White team coach will be removed from his role as a coach. One of the assistant coaches has volunteered to take over the head coach role. Younggren has been in contact with the necessary parties to ensure a smooth transition takes place and there aren't any on-going issues related to the situation.

Home Tournaments

- All the tournaments were successful.
- Generally good response from sponsors related to the court sponsorship signage.

High School Basketball updates

- Girls Cancer awareness night: February 2, 2024
- Boys youth night: February 16, 2024

School District Update

- Heitz communicated there is still an issue with coaches propping the door at BKE open. Instructions on how to properly unlock the door have been sent out to coaches.
