**BOARD MEMBER REPORTS:**

• **COMMISSIONER**

- Confusion at the end of the last meeting regarding the schedule for Fall 2025. We do need to have 10 playing dates, 11 with a bye week. Since then, many coaches have reached out that November 30 is a tough day for many players. We're looking for solutions by reaching out to the City of Las Vegas and Clark County to see if December 7<sup>th</sup> would be available, unfortunately – Doc Romeo & Sunset are unavailable. With that being said, Lorenzi is available, so looking at alternative that's only 2 fields of availability. If there are up to 12 teams that want to move their games to December 7<sup>th</sup>, this could work. Coaches will need to speak with their players to identify if this will work. If the entirety of the E Division wants to move their date from the 30<sup>th</sup> to the 7<sup>th</sup>, we could accommodate this. Bearing in mind that only 4 players who are rostered need to be present to make your game count. There have been small turnouts at Bar of the Week, we want to make sure we're getting as many people to the bars as possible, take for example Gypsy is not open to the public and opening just for LVGSL and it's a large venue, so if there's a small turnout it looks small in a large venue, thus why the survey regarding bars of the week was sent out. Responses will be compiled and sent to the coaches so that feedback can be understood.

• **ASSISTANT COMMISSIONER**

- Season has started; 37 new people joined the league as a result of the ratings clinics. Feedback was received that everything ran smoothly, thank you to everyone who helped with the clinics. Thank you to all who have helped with set up and tear down at Doc Romeo, it makes a big difference in making our jobs easier. As a reminder, please make sure that dugouts are being cleaned out after each of your games. Thank you to all for filling out the survey regarding bars of the week.
