General Event Information

- When you arrive at the fields please have a team representative swing by the Central Tent just to let us know your team has arrived.
- **There is no parking on the grass. Cars may be ticketed or towed. Please make sure your families are aware of that.**
- Please be careful where you place your team tent(s) so that you are not in danger of getting hit by errant game balls.
- There are food trucks and restrooms on-site that will be open both days.
- Please bring your own water, Gatorade, etc. for your players as there will not be water coolers at the fields.
- There will not be bleachers at each field so plan to bring your personal chairs for the sidelines. As always, fans must sit on the opposite side of the teams.
- There will be an athletic trainer at the Central Tent for injuries and emergencies.
- **Weather updates will be posted on Instagram @TurLaxin and sent via email to the team contact.**

General Game Format and Rules

- Round robin style play, each team plays 4 games, no playoffs.
- Games will run on a Central Horn with short "2 minute warning" blasts before the start and end of each half. A long blast will indicate the start and end of the half/game.
- 3/4 games (7v7; goalie not required) are 20 min running clock halves with a 5 min halftime on the central horn.
- K/2 games (5v5) are 12 min running clock halves with a 3 min halftime on the central horn. We will play with hectors vs goalies.
- No score will be kept at the 3/4 or K/2 levels.
- There is no overtime for games ending in a tie.
- To keep things simple and consistent for all teams, we will follow the same rules used in the fall season with the exception of penalties at time and a half.
- Tables will be staffed by McKinney Lacrosse High School players and Club parents for keeping penalty times.

Event Merchandise

Custom tournament logo apparel is being sold by **Fine Designs**. Players can customize their item with other graphics, name, numbers, team listing, etc.
