If your organization is not 100% in attendance 1 hour prior to gates opening, the opened spaces WILL be filled by extras/per head groups. Your organization will be considered late at this point and will forfeit any bonuses for that date.

To fulfill your Rodeo Contract, your organization MUST commit to and be present for a minimum of eight (8) dates. These dates MUST include all Mandatory events (**noted in red**) as well as Two additional "sell out" date (**indicated in blue**). A bonus of 1% is added to each event that your organization has participated IF each member arrives no later than an hour prior to gates. Another 1% will be added to each organization that participates on a Wednesday event. End of Season Bonuses are available and are based upon the total number of dates your organization has participated during the 21 day period in conjunction with having met the committed number of volunteers per date.

- 8-14 Concerts = Extra 2 %
- 15-20 Concerts = Extra 3 %
- 21 Concerts = Extra 5 %
