Several teams are missing coaches and managers on rosters. Coaches need to complete safesport training modules and background screenings. The registration system will not allow coaches to be added to roster until they have completed all of their required items. Managers are also required to complete background screenings and safesport training modules.

Jerseys were shipped and should be received this week. EYHA will look into new jersey company. Need to talk with Julie Pappenfuss and Eric Cole about organizational needs. EYHA will look into a jersey sponsor for next year, if we move forward with new jerseys.

11/15/18 is registration for State tournaments. All teams will be registered and paid to attend state.

WAHA deadline for rosters is 12/31/18.

VP On Ice

Coaches **MUST** wear helmets for games (if they on ice, specifically U8 level) and **ALL** practices. Additionally, when setting up the boards for mites games, a helmet **MUST** be worn. First offense on ice without helmet is 30 day suspension. Second offense is 1 year suspension. Helmets are for safety, if coach forgets helmet they cannot go on the ice.
