Varsity Recognition

April 27, 2018 State Representative Mark Mustio, had a citation presentation for the Varsity team and recognition at the annual Moon Hockey Banquet. As Mr. Mustio is a graduate of Moon, he very much enjoys boasting about another team winning a championship from his alma mater.

May 2, 2018 Varsity team was recognized for their Championship Title at Moon Township Board of Supervisors meeting in the municipal building. They received a proclamation for their outstanding performances. This is the team that stuck through it all. Well done!!

Let's build off of this winning season

Off ice work outs begin June 5th at 7:30pm on the grass practice field near University Blvd. This is to the left of the football/track stadium at High School. Don't forget water bottle!

Pool Party

Save the date: Wednesday, July 11th! MAHA pool party is at Wyngate from 6p-10p. All family members are welcome to attend. Each team is asked to bring a food item. Details will be sent as date approaches. It is a great time for all teams to hang out and meet the entire Moon Hockey family.

Smelly Gear

Does your players' gear have *that* funk smell?? Want to get rid of it without using sprays that try to mask the stench?? MAHA will be hosting a fundraiser by inviting BroZone to the pool party on July 11th. They eradicate the smell by killing the bacteria that causes the odor. So bring your gear and swim while it's being processed. Your nose and vehicle will thank you! Online sign up will be sent next month. They can process 15 sets of equipment at one time. Cost is \$35 for a set of hockey equipment which includes helmet and skates, regardless of position.

Tell all your family and friends! They do all kinds of sports equipment. For more info visit their web link:

Golf Outing

Our 3rd Annual outing was a huge success! Thank you to participants, sponsors and families that donated funds for raffle baskets. Fun times were had by all.

If you have an important hockey event within your team that you would like to share with all of our families here, please email Deena Skwortz at deenas@moonhockey.org. Let's work together to make this an informational platform.

Our entire organization is operated by volunteers. If you would like to donate your knowledge, experience or time, please contact a board member and be a part of the solution. Your assistance is valued!
