Eagan Rugby

<https://www.easports.org/rugby>

Eagan Rugby offers high school (varsity) and middle school contact rugby as a spring sport for boys and girls from Eagan and surrounding areas. Varsity players in ISD 196 and 192 may earn their letter. We also offer summer 7's (Olympic-style) rugby for high school boys and girls. For those interested in trying rugby, we encourage attendance at our winter K-8 flag camps, which have a very low fee to encourage participation.

Both our boys and girls varsity teams have earned regular berths into the state championships. We tour internationally on what is generally a biannual basis, with recent tours having included England, Wales and Ireland. Rugby is a great sport for kids of all shapes and sizes. Everybody plays, everybody tackles, everybody carries the ball.

Please visit our website above for updated information. We also encourage you to visit and follow us on Facebook at <https://www.facebook.com/EaganRugby/> and Twitter @EaganRugby.
