**2021 Financial Assistance Application**

Prospector Soccer Club offers financial assistance to all players in our club and is designed to help players in need. All financial assistance is evaluated and granted based on need. This application is not a guarantee of financial assistance. Applicants are requested to pay an affordable amount of the registration fee. The applicant must complete the enclosed application in full no later than July 15, 2021.

All information submitted to PSC will be held in confidence and will be viewed strictly by the designated PSC Board Members. A separate request is required for each player and filing an incomplete application may result in being declined for financial assistance. Financial assistance recipients are required to re-apply each year. The Club requests if you are able, that you donate volunteer hours at a Club function.

Thank You
