

Hello Softball Families,

We're excited for the upcoming season and wanted to share a few quick updates regarding player gear.

Below are links for socks and belts for any players who need to reorder or for those who are new to the program. We've also included a couple of options for pants (Boombah and Amazon) as a convenience.

Please note that players are not required to purchase pants from those links. You are welcome to buy softball pants from any brand or store, as long as they are **navy blue**.

If you have any questions, feel free to reach out.
