RAHA Board Member Responsibilities

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two-year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

[My two oldest children started RAHA in 2013. We've been a hockey family since then.](#)

Please explain why you wish to become a RAHA Board member:

[I have a passion for improving processes and helping others understand through transparency. I want to continue supporting the growth of our kids in their game and love of the sport. I want to help RAHA continue to forge community connections. Our kids need to know that being part of RAHA isn't only about hockey, it means supporting the community. As simple as it sounds, I care. I care about this community, the reputation of the organization and our players, the development of our kids, all of it.](#)

What specific talents/skills would you bring to the RAHA Board?

I have a background in Secondary Education and Human Resources (HR). For the last 15 years in HR, I've managed both global and US-based projects, policy implementation, acquisitions, audits, onboarding, process improvements, and compliance with state and federal regulations. I've managed vendor relations for over 10 years, including RFP's, vendor selection, and negotiating terms. I am fluent with MS Office products.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?
Operations, Player Development, Coach Coordinator, Equipment

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:
In my inaugural year as a hockey mom, I was the manager for my son's mini mite team. Since 2013, I have volunteered to help with equipment repairs per requests from the RAHA board, and I have always volunteered when other opportunities are presented by the RAHA board. Currently I am the co-manager of my son's PeeWee team. I grew up in a small town in northern Minnesota where everyone helped out. We supported each other in times of need which fostered a deep sense of community.

Please describe other board experience, youth program experience, or areas of community involvement:

I have been a volunteer coach for my daughter's volleyball teams for four years. As a hockey mom I organized a service project for my son's hockey team to make and donate fleece blankets to kids fighting cancer at Children's Hospitals and Clinics of Minnesota in Minneapolis. I've participated in numerous food packing events for various teams at Feed My Starving Children.
