What's New with Shakopee Hockey?

[Try Hockey For Free!](#) Spread the word! THFF is back and a great way to build support for our Association and introduce kids to the sport we all love. Please share and encourage your neighbors, friends and family to sign up

The SYHA 2020-2021 Hockey Registration is open for Mites, 15U and Jr. Gold! Other registrations have closed. Have you registered yet? If not, do so here: [Open Registration](#)

Parent Meetings are moving Virtual! However, it is still mandatory to bring a check to the rink so please mark your calendar as follows for this coming Sunday September 20th for travel teams (mites will be on Oct 11th): Bantams/15U - 5:30-6pm; Peewee/12U - 6:15-7:00pm; Squirts/10U - 7:15-8pm. Please, due to capacity restrictions, only 1 parent and no players and siblings. During this time we will ask that you bring your \$500 volunteer check (only cashed if you don't complete your dibs hours required for the season), fill out paperwork if anything is missing, vote on updated Bylaws, and we will answer any questions about this upcoming season. We appreciate your cooperation and adjustment to the annual meeting. Virtual meeting info will be sent out soon

Dibs hours updates: Dibs start the week after MEA. Hours will be posted [here](#) by the end of the month. Be sure to keep an eye out for upcoming dibs to find something that works for your schedule (act fast, they fill quickly). First year family? "Dibs" are required volunteer hours

What should we expect for the upcoming season? We are excited to be back for the season and we are looking forward to a safe and healthy year. Shakopee Hockey is committed to providing a safe environment for all of our players, coaches and volunteers. All of the upcoming season information can be found [here](#). Just a reminder, we will require a [self-screening checklist](#), a [Daily Health Questionnaire](#) and we will follow a COVID-19 Preparedness Plan, which can be found here: [SYHA COVID-19 Preparedness Plan](#). These are all effective as of 9-14-2020. Please also refresh yourself on the [Shakopee Ice Arena COVID policy](#) to ensure a seamless transition back into this season [please err on the side of caution so that we can stay open this year!]. Again, please make sure you are filling out your Health Questionnaire for you player each time they participate in a SYHA event. This is critical so that we can continue to operate this year

Are you interested in helping Shakopee Hockey? Do you have skills that we can utilize? Please reach out to syha.board@gmail.com to discuss additional volunteer opportunities. Dibs credit will be available based on tasks

We need Equipment! Do you have anything laying around? Specifically, we need Mite Sticks for new Try Hockey for Free Players, and any old gear in good shape (washed and cleaned and no holes please). Please reach out to syha.board@gmail.com if you have anything to offer, or you can drop it in the bin by the entrance at the Ice Arena

Interested in Promoting your business? We need Sponsorships! Please reach [out](#) if you are interested in Sponsoring any tournaments, Mite jerseys, programs or space on our website

We are selling Used Shakopee Hockey Jerseys and T-Shirts for \$5 each! You'll see them at the Golf Tournament on Saturday but reach [out](#) if you can't make it and want to buy one.
