YMCA - Lafayette | 95th St. and Arapahoe Ave.

DONATION SUPPORT

The Centaurus Warriors Booster Club (CWBC) will be holding its Annual **Warrior Gala on Saturday, March 2, 2019**. Each of our athletic teams and other extra-curricular programs will be participating. This will be our fourth time holding this event! The purpose of this event is to raise funds to provide scholarships and to fill in the funding gaps for extracurricular activities at Centaurus High School. Since its inception, CWBC has given **over \$40,000** to various CHS sports and activity programs. Funds raised from the Gala have been used to purchase many items such as **soccer goals, uniforms** for various teams, **rangefinders** for the golf team and **customized canopies** for the tennis team.

We believe in our students, and our philosophy will always be to do the very best we can to support them. With your help, we can support our Centaurus students in ways that the school district cannot.

I would like to personally thank your organization for considering becoming a part of Centaurus High School's Annual Warrior Gala. **Please consider a sponsorship and/or donation to the 2019 Warrior Gala:**

- **gold, silver, bronze or friends of Centaurus sponsorship**
- **silent or live auction item**
- **cash donation to CWBC scan this code**

CWBC is a 501(C)(3) charitable organization separate from the Boulder Valley School District. Your support of our students and community is greatly appreciated.

Thank You!
