- Is your club compliant with USA Volleyball - NCR safety protocols?
- Who are the coaches for my child/s age level? How many coaches per team?
- How is playing time allocated? Can athletes play up?
- What are your club dues? Is there a payment schedule? What is the refund policy?
- What is covered in the club dues?
- Are there any other financial obligations? Travel arrangements?
- Is there a fundraising opportunity?
- Will you allow the athlete to play the position he/she wants? Is it up to the coach to make the decision?
- Do your players keep the uniforms?
- Does the club offer private lessons, strength training,, speed/agility training?
- How often is practice? Are practices mandatory?
- Are players allowed to play other sports while in your club?
- What if my child misses a tournament or a practice?
- How long is your season? Do you offer beach opportunities?
- How far will the team travel?
- Is the club a non-profit organization and established as such with the state government?

QUESTIONS TO ASK YOURSELF

- What does my child want to get out of the club experience?
- Does my child want to play in high school? At what level in high school?
- Does my child want to play volleyball after high school? If so, what level?
- What is my child's priorities for time management: school, free time, job, other hobbies
- Is my child able to keep up with school work
- Can our family afford the program we choose
- How important is it that we, as parents, travel with our child? Can we save money if our child travels with the team?

COMMON CLUB VOLLEYBALL MYTHS

Myth 1 - It's about the club, not the coaches. The reputation of the club your child plays for is important, but it does not guarantee the coach your athlete will play for is skilled and/or right for you. Understand the philosophies, reputation, style, and character of the coach your athlete will be playing for. Interview the coach if necessary. Speak with other players and parents who played for the coach in the past. Also ask yourself, is this person someone you want your child to spend time with? Is this a person of integrity and character?

Myth 2 - The more expensive the club fees the better the club/coaching and the more you get. After all isn't the saying "you get what you pay for...." true? Not always. Some clubs charge more because they must cover their overhead (salaries for full time employees), turn a profit and/or pay more for gym rentals. Other clubs charge more because they were formed by a sports complex as a way of filling gym time.

Myth 3 - Playing club for your high school coach's club ensure playing time on the high school team. Fact: the best players will play regardless of the club they play for. Sometimes playing club for your high school coach can be a negative. High School coaches sometime 'pigeon hole' or 'slot' players into the certain positions based on their biases or need they are trying to fill for the high school team and not necessarily the best position for your child. It is sometimes a good idea to get a fresh look from a different coach.

Myth 4: Playing in tournaments across the country provides more exposure to college coaches. While it is true many college coaches attend national tournaments, a LARGE majority of the players from this area who continue to play in college did not participate in national tournaments.

¹ Players who were born on or after July 1, 2002 OR players who were born on or after July 1, 2001 and a high school student in the twelfth (12th) grade or below during some part of the current academic year.

² **Female Only** - Players who were born on or after July 1, 2002, (who are defined as 18 & under by the USAV Age Definition) and are in the 11th grade for the current academic year are waived to compete in 17 & under. (This age waiver is based on recruiting concerns for 11th grade girls previously required to participate in girls 18's qualifiers and the 18's GJNC.)

³ **Male Only** - Players who were born on or after July 1, 2006 OR players who were born on or after July 1, 2005 (15 years or younger) who shall neither have completed nor are in a grade higher than the eighth (8th) grade during the current academic year are eligible to play in the 14 & Under division. This exception is based on the net height difference of 7'4 1/8" to 7'11 5/8" between the 14 and Under Division to the 15 and Under Division.

⁴ **Male Only** - Players who were born on or after July 1, 2006 (14 years or younger) who shall neither have completed nor are in a grade higher than the seventh grade (7th) during the current academic year are eligible for a Region approved waiver to compete in the boys 13's age group.

⁵ **Male Only** - Players who were born on or after July 1, 2007 (13 years or younger) who shall neither have completed nor are in a grade higher than the sixth grade (6th) during the current academic year are eligible for a Region approved waiver to compete in the boys 12's age group.

14 and younger	Not Playing High School Volleyball	October 25
15 and older	Minnesota High School Volleyball Participants AND/OR any high school age student who did not participate on a high school team during the 2020 fall semester	November 1
15 and older	High School Volleyball Participants in ND, SD, and the U.P of Michigan	November 22

When a membership is purchased, you will not have the option of associating yourself with a club. The club must send you an invitation, and you must accept it, before you will be associated with a club in the system. This process must happen before a player or coach can be placed on a roster. This is different than past seasons. Previously, you could pick a club during an initial membership purchase. There will be policies in place that prevent clubs from sending invitations to players prior to tryout dates. The individual must be listed within the club's member directory in order for you to send this association invitation and the club must follow all region policies and guidelines. An individual must have a membership before accepting this invitation. If the clubs send an invitation to someone without a current membership, the individual will be directed to purchase a membership before the association will be completed.

PLAYER DEVELOPMENT

Each season we focus on developing our athletes with what we feel is the the most efficient way to play the game. We are process driven, rather than being result driven. So each day, we work on that, by doing the little things correctly, trying to be biomechanically efficient, and try to play the game the way we fill is the right way to do it, with hopes that we get the results we are trying to achieve.

What makes you most proud about your club?

What makes us most proud about our club is seeing the kids enjoy their time spent with us, seeing them make new relationships, and of course getting better at a game they love. We are also proud of the accomplishments are athletes have both on and off court.

As a club that started from scratch, we are proud to see the growth in our numbers along with an increase of talent in our gym and level of competition we are able to play at.

COACHING PHILOSOPHY

Vital Volleyball Club (VVC) is about providing an atmosphere and culture where players can enjoy getting better at volleyball every day, having the opportunity to compete against the best clubs in the country, along with receiving the tools needed to accomplish their goals.

What Makes The Club Unique In The Market?

We are a club that is ran by Ryan Stuntz who played this game at a very high level. His experiences from his playing days (and past coaching experiences) allows him to share his knowledge of the game with both his coaching staff and players. These past opportunities has allowed him to make many great connections in the volleyball community across the country with current college coaching staffs and other club directors.

To add, Ryan's wife Kelly Stuntz (formerly Kelly Bowman) was an All-American for the University of Minnesota. Kelly's strong pedigree adds to the depth of experience in our program. Kelly serves as our College Recruiting Director as she has worked in this field professionally for the past 13 years. Kelly uses her professional knowledge in recruiting with our athletes so they can accomplish their goals of playing at the next level.

Club Cost 2020-2021

One of our philosophies is to provide a cost effective program.

We are a non-profit with volunteer Board of Directors. 100% of our fees go back into the program and players.

Our fees range from \$485 to \$850 depending on the age and team-level. We also require players and families to fundraise and volunteer. Families can elect to "opt-out" of fundraising and volunteering through additional fees.

Fees include practice time, coaches, strength training, team equipment, tournament fees, and uniforms. Players provide USAV membership and individual equipment (shoes, knee pads). Please note that COVID-19 may impact our typical fee structure and offerings to ensure safety.

What is Your Club's Coaching Philosophy

Irish Elite VBC focuses on providing an inclusive, positive environment along with developing strong fundamental skills, good team players, and positive, competitive attitudes. All our coaches trained in Safe Sport and Positive Coaching Alliance(PAC) practices.

Irish Elite VBC and our coaches use our "AS ONE, we Work, Improve, Commit, Compete and Support" to engrain players with strong work ethic and positive team philosophies.

Weekly age group training sessions ensure consistent development of fundamentals skills and team strategies.

When possible each team has two coaches, increasing the players overall learning environment.

PLAYER DEVELOPMENT

We focus on continual skill and cognitive development throughout the season. We expect our players to be stronger, smarter, better at the end of the season than at the beginning.

We also expect our players to have a great time while learning, experience the joy of team sports, and build new friendships.

We have documented development for our age groups that our coaches can use to set expectations throughout the season.

What makes you most proud about your club?

Our focus on the players and the experience.

WHAT MAKES THE CLUB UNIQUE IN THE MARKET?

We are a smaller community-based club that allows kids from other communities to play. We focus on being cost effective and flexible which provides opportunities for multi-sport/activity kids and those that cannot afford other clubs.

What is Your Club's Coaching Philosophy

Passion and Purpose: Minnesota Select Volleyball Club is dedicated to the personal and athletic development of youth through the pursuit of excellence in volleyball. We seek to provide the highest level of volleyball training. To this end, participants in our Junior Olympic program can expect not only outstanding team training but also outstanding position-specific and skill-specific training.

Minnesota Select is committed to helping its players improve as overall athletes. A systematic approach to improvements in explosive power, agility, and physical conditioning are part of each athlete training program.

Regarding playing time, Minnesota Select recognizes that participation in competition is a critical part of each player's development. Moreover, we believe our coaching staff shares the responsibility to develop an on-court role for each player that lends to the competitive success of the team. If we didn't intend to play all team members consistently, it would be wrong to accept their money when they joined the team. In short, we will work tirelessly to help all Minnesota Select players and teams be their best through developing and utilizing all of their talents.

We seek to promote integrity and leadership among our players. Our coaches recognize and embrace that they have a unique opportunity to help their players develop skills beyond the volleyball court as well. Players will learn and be reminded often of the value of important principles such as hard work, commitment, perseverance, and teamwork.

PLAYER DEVELOPMENT

Please view our Club Philosophy! We take coach development very seriously because we know that those are the individuals that you spend the majority of your time with each season. Our coaches go through our coaches training and have check-ins with administration throughout the club season. Coaches have a membership to the Art of Coaching Volleyball and the AVCA (American Volleyball Coaches Association). We have an open-door, hands on administrative support team to help with questions and skill development. MN Select also has multiple team coaches for each team for more individualized attention for athletes and interpersonal accountability between coaches.

With all of that being said, our ultimate goal is that we (coaches and administration) collectively train our athletes to be their best and compete at a high level. While the recognition, awards and medals are great; we feel that is an outcome of our athletes and coaches hard work and training.

WHAT MAKES THE CLUB UNIQUE IN THE MARKET?

MN Select offers a variety of different elements that are unique to MN Select. Read below for just a few!

1. Boys Programming! We are excited to continue to expand our boys' programming, offering more opportunities than any other club in the state of Minnesota! We offer Fall and Winter teams as well as Summer Camps and Trainings. We are committed to helping boys grow in their volleyball skills through excellent training and competitive opportunities.
2. Additional Training Opportunities – MN Select offers training weekly to all athletes beyond their team practices. We offer All-Skills training, Setter Training, and Middle Blocker Training. These trainings are led by some of the best coaches in our community! We also offer Open Gyms each Friday afternoon for our members to come in and play pick-up games.
3. We have an excellent 8-court facility with plenty of space between courts and recent facility upgrades (new sport courts, concessions, updated bathrooms, additional parking, and more)!
4. Fundraising Opportunities! We offer multiple ways for families to earn money toward their club fees, including poinsettia sales, butter braid sales, facility work, and parent coaching.
5. Recruiting Support: MN Select offers individual recruiting support with an on-staff Recruiting Coordinator. MN Select is also a proud member of the JVRA (Junior Volleyball Recruiting Association). We are committed to providing the highest level of service to our athletes and their families while developing a culture that embraces discipline, teamwork, accountability, and the development of self-advocacy skills.
6. Alumni: MN Select is proud to have 76 former MN Select Athletes competing collegiately in the fall of 2020! These athletes compete at all divisions and levels. We are proud of their pursuit of excellence on and off the court at the schools they represent.
7. ETS Performance Training: ETS Performance is offered in addition to our on-court training. This training focuses on providing athletes with strength and power training to increase power, explosiveness, and speed. This training also significantly decreases the likelihood of becoming injured.
8. Minnesota Connect: During the COVID shutdown this spring MN Select provided resources to our families through MN Select Connect. This included: at-home training, mental training, nutrition and sleep tips, links to teaching from college coaches, recruiting check-ins, Hudl video highlight creation and support, virtual training sessions, technique and tactic webinars for specific skills and positions and alumni and recruiting webinars. You can view these resources on our website!

What makes you most proud about your club?

The positive feedback we receive from parents at the end of each season is appreciated and why we do what we do. Some of this feedback includes:

"I have had two daughters play for MN Select. One played for 9 seasons and one played for 6. We have been part of teams that didn't always win as well as teams that dominated. Winning is fun and improving as a player is great, but it truly brings tears to my eyes when I think about what a profound impact MN Select volleyball has had on my daughters. The coaches have always cared about my daughters and helped them grow in more ways than volleyball. Being part of a MN Select team fueled their self-esteem as they worked hard and reached goals. Their experiences helped them develop integrity & initiative. They had opportunities to practice advocating for themselves and to handle challenges with class. We are so grateful for our journey with MN Select. Thank you, thank you, thank you MN Select!"

-2020 Season MN Select Parent

"Having our son play at MN Select has been such a great experience. It has been so clear that the coaching staff care about his development as a player and as a person. He has learned volleyball skill at a high level, how to play with determination, and how to be a positive player. We appreciate MN Select for all of the ways they have developed our son."

What is Your Club's Coaching Philosophy

Our goal is to provide a positive, competitive youth volleyball experience for player, parent, and coach. It is our desire to emphasize long-term player development of physical, emotional, and social skills revolving around the game of volleyball. While it is our desire to have a winning program, winning will not be placed above good sportsmanship. It is our goal to create an environment that will benefit the individual as well as the team.

PLAYER DEVELOPMENT

The mission of the Hutchinson JO Program is to promote volleyball within the Hutchinson area while supporting the creation of more competitive volleyball players within the area. Hutchinson JO Volleyball does this by instilling a strong work ethic, commitment, teamwork, sportsmanship, and a love of the game within our players.

What is Your Club's Coaching Philosophy

Monti Club JO Coaches are there to support our athlete's in their skill development from entry level to full high school level.

PLAYER DEVELOPMENT

Our goal is to have each athlete end the season a better player than when they started while also continuing to grow their love of the game.

What makes you most proud about your club?

Our athletes. They love this game and it shows each time they step out on the court for practice, a scrimmage or a tournament.

WHAT MAKES THE CLUB UNIQUE IN THE MARKET?

We meet our athletes wherever they are in skill development and work all season to grow beyond.
