

It is game week and a busy one. The schedule is below. Make sure girls that you have all the equipment before your first game day. This includes black softball pants and socks, and any warm undershirts that may be required for the day. Remember, it gets cold out on the field. When in doubt bring it because you can take it off but you can't put it on if you leave it at home.

Varsity girls will dress right after school and meet no later than 3:25 in the dugout. Please make sure you have a drink and bring yourself a pre-game snack.

Our team store is closing on Wednesday. I had it extended because we changed a logo.
