

# Grayslake Colts Cheer & Dance Uniform Care Information

Your athlete will receive for the Spring or Summer/Fall Session a Game Uniform and Game/Competition Warm-Up for use during the current season. The game uniform must be returned at the end of the current cheer and dance season. The 2-piece game/competition warm up must be returned at the end of the current cheer and dance season. Coaches will notify their team of the exact game attire before each game day. That week's attire is to be worn to games with white socks and white gym shoes (**NOT** competition shoes).

The game uniform consists of a top and skirt (cheer) or dress (dance) as required for the team. This uniform is for your athlete's use only and should be returned in the same condition as it was received. If the uniform is not returned or is irreparably damaged, you will need to pay for the replacement cost at uniform/warm-up turn in at the end of the current season. See registration packet for replacement cost.

The game/competition Warm up consists of a warm-up jacket and pants. Just like the game uniform, the warm-up is for your athlete's use only, and should be returned in the same condition as it was received. If the warm-up is not returned or is damaged, you will need to pay for the replacement cost at uniform/warm up turn in at the end of the current season. See registration packet for replacement cost.

Uniforms and Warm-ups are to be worn for Colts sponsored functions **ONLY**. We ask that you use extreme care at all times, especially if it is necessary to consume food or beverages while wearing this uniform. **NO ALTERING** is to be done to these uniforms or warm-ups without the consent of the Director, with the exception of the button on the skirt. The button on uniform skirts may be moved to accommodate your athlete's waist size *without consent* of the Director.
