The minor and parent or guardian recognize and understand that there are risks and dangers associated with participating in the activities. Further the risks and dangers may be caused by the actions or negligent failure to act of the Releasees and others. All of the risks and dangers associated with participating in the activities, entry into the premises, or use of equipment are assumed and notwithstanding.
- d. The player and parent or guardian assume full responsibility for the risk of illness, hospitalization, or death due direct or indirect contact with individuals who have or may have been exposed to and/or diagnosed with one or more communicable diseases, including but not limited to COVID-19, or other medical conditions, diseases, or maladies, and/or any mutation or variation thereof.
