

Monument Ice Rinks Return to Play for Youth Hockey games

Monument Ice Rinks is pleased to announce a return to play for hockey at all levels in accordance with recently approved guidance from CAHA and CDPHE. While hosting games, Monument Ice Rinks will follow and ensure compliance with current State and El Paso County health department guidelines which are subject to change depending on risk status. Monument Ice Rinks reserves the right to reduce or restrict spectator entry to best serve the health and safety of all rink participants. Public Health Order and Monument Ice Rinks guidelines for indoor events include the following:

Spectators (permitted during games only):

- Monument Ice Rinks may allow one spectator per rostered player up to 20 spectators/team
- Everyone entering Monument Ice Rinks will be screened and must sign a waiver
 - [MIR Waiver](#)
- Home and Visiting team managers will be responsible for all spectators
- Spectators will be allowed to enter rink approximately 15 minutes prior to game start
- Home team may provide 1 individual for each of the following positions:
 - Penalty box, video/live stream, clock/scoreboard, scorekeeper, music, and rostered manager-these persons are considered staff and do not count toward spectator limit
- Visiting team may provide 1 individual for each of the following positions:
 - Penalty box, video/live stream person and rostered manager-these persons are considered staff and do not count toward spectator limit
- Spirit squad or cheer teams will NOT be allowed in Monument Ice Rinks
- Competitors are not included in capacity limits so long as they do not join the spectator/patron areas at any time
- Coaches or referees (or other staff required for player safety) are not included in capacity limits so long they maintain 6 feet of physical distance between spectator/patron areas at all times

Procedure:

- Home team must provide player roster for both teams with space for mandatory spectator and designated staff sign in
 - Spectator/staff entry stickers will be issued by front desk staff
 - Stickers must be worn in a highly visible location at all times
- Masks must be worn by coaches, staff, volunteers and spectators at all times and social distancing must be observed
- Single-direction traffic flow in and out of venue and seating areas must be followed
 - Enter through East doors/Exit through west doors
- Spectators and staff must exit the facility immediately upon completion of the event
- Home and Visiting Team managers will actively monitor compliance with spectator guidelines throughout the competition
 - Failure to adhere may result in loss of spectator privileges
- Spectators/participants must comply with all MIR staff instructions
 - Failure to adhere may result in loss of spectator/participant privileges

Locker Rooms:

- Players will be allowed into locker rooms approximately 20 minutes prior to game time
- Players should wear masks in the locker room
- Players must provide their own water bottle
- Participants must exit the locker room within 15 minutes of event completion to allow for cleaning
