Meeting was called to order at 10:03am.

- Several documents were reviewed and updated in preparation for the 2021-2022 competition season.
 - o Fast facts: Pre-sectional and theme entry fees were confirmed from the Regional Committee minutes in June 2021. State entry fees were changed to \$75 Levels 4-10, \$70 Levels 1-3 and Xcel as although prices for everything are increasing, the state entry fees had not for a number of years. Athletes repeating the level at which they competed in states for the 2020-2021 may directly enter a sectional for qualification to states for this season. Levels 4-6 will use the same qualifying process as in years past. Levels 7-10 (NEW) may attain the qualification score for states in one Invitational from the MA master calendar or can use on out of state invitational (sanctioned) with a 34.00AA. To clarify, Levels 7-10 do not need a pre-sectional to qualify as in the past. One meet to qualify.
 - o Qualification and Entry Deadlines were discussed and the timeline for each of those will remain as in years past.
 - o Invitationals as Sectionals were discussed and will keep the process that we changed prior to the 2019-2020 season (listed in fast facts).

- Equipment fees were discussed for rental of state equipment. Will use the 2019-2020 pricing this year as well. Discussion took place regarding finding additional set up and break down supervisors for the state truck.
- Tom Koll clinic on October 23-24, 2021 was discussed. Demonstrators have been secured. Pricing for the clinic was determined. Invitation will be sent out soon.
- Discussion regarding contracting of officials for USAG-MA competitions took place. Further thoughts and discussion will resume at our next meeting on September 24, 2021.
- Deb Pietrafetta recused herself and left the Zoom call at 10:55am. Selection of officials for State Competitions for Levels 4-10 was completed.

Meeting adjourned at 11:58am. Will reconvene on Friday September 24 at 10:00am via Zoom.
