

MINNESOTA STATE HIGH SCHOOL BASEBALL COACHES ASSOCIATION Coaches Timeline, Nomination Forms, and Records Updates

Records:

- Review the records compiled by Tink Larson at: [State Baseball Records](#)
- This page will list the state baseball records for individual/team stats from across the state. We will use the records we get and update them as we get more.
- To submit a record for consideration please contact Tink Larson by using this contact information: tlarson@hickorytech.net

Some key reminders on timeline and nominations:

- These are **TIME SENSITIVE REGISTRATIONS** and **must be** received by the deadline to be eligible for consideration for the award or participation in the MSHSBCA event.
- Coaches **must be MSHSBCA** members to have athletes, teams, and coaches selected for awards.
 - Coaches can go to www.mshsca.org to join(click on registration at the top).
- All online registrations require a login and password(through SportsEngine).
- Specific links to active registrations will be posted when they are ready for the 2021 season.
- All online registrations automatically produce an email of receipt for coaches to review. **This should eliminate any questions of whether or not the registration was received.**
- All registrations can be edited upon submission as well. This also helps for early registration completion. This is also a good way to determine if you have nominated an athlete or athletes for an award or event. The steps are:
 - Go to www.mshsbca.org
 - Login with your username and password.
 - Click on your initials in the upper right hand corner.
 - Click on My Sportsengine(below your initials).
 - Click on “registration” on the left hand side of the screen.
 - Then click on the specific registration you have completed and would like to edit.
