### **FALL BALL FORMAT**

- Historically, Fall Ball is used for development, an opportunity to break in new players. All games will be played on a Saturday between 10-12. Please try to conclude your season by October 20 as the TVYLL Monster Mash is the the following weekend. The IHSSL does not coordinate your schedule, but we can coordinate your referees. **Please have your team schedule to Britt by September 1, or 10 days before your first game.** These games will be on a running clock. The IHSSL will bill you for officials at the end of fall ball season.
- Teams
  - Vallivue/Middleton
  - Timberline
  - Capital/Borah
  - Meridian
  - Eagle (2 teams)
  - Rocky Mountain (2 teams)
  - Centennial (2 teams)

### **ILOA REPORT**

- Based upon a survey that was conducted, many parents and coaches are dissatisfied with the referees.
  1. Player safety concerns
  2. Communication. Not able to have an open dialogue on the field with the referees
  3. Consistency
- The ILOA asked that we raise our jv pay to \$65 a game. Currently we play referees at varsity games \$65 and \$55 at jv games. The reason behind the request is that jv games

take as much time as a varsity game. We did give them a \$5 increase in both 2016 and 2017. The IHSLL will revisit this issue.

### **IHSLL WEBSITE**

- We need our own website where we can convey our information. It is assumed that the cost will be \$500 - \$1000.
  - *Tom Welsh motioned. Tobin Bartholomew seconded: IHSLL shall move forward with our own stand alone platform. UNANIMOUS.*

### **SPRING SWING PROPOSAL**

- Phil Warchol (BK) will send out to everyone

### **IHSLL 2018 - 2019 OFFICERS**
