Section 1.3.1 Voting

The Fourth District American Legion Committee is hereby established to represent the member Counties of the Fourth District of New York in all matters pertaining to American Legion Baseball. The purpose of the Committee is to further the goals and initiatives of the American Legion Baseball program in providing competitive baseball playing opportunities for young adults. The Committee's goals are to foster the development of player/team discipline, individual character, sportsmanship and leadership qualities in all those competing.

The Fourth District Baseball Committee shall consist of representatives from the Counties listed on the District page of the official Department website or any areas added by the Department Baseball Committee. The Chairman of the Committee shall be the Fourth District Director.

Each of the Counties will be entitled to designate one voting representative for each registered team for matters pertaining to Department of New York American Legion Baseball. Only a duly registered Senior Team representative will be entitled to vote on matters pertaining to Senior Baseball play and only duly registered Junior Team representatives will be entitled to vote on matters pertaining to Junior Baseball play. A quorum will consist of one-half of the members having duly registered teams.

Section 1.3.2 Amendments

A majority vote of members in attendance at Official Meetings (assuming a quorum) will be required on all matters. The District Director will be entitled to a vote only in the event that such vote is required to break an otherwise tie vote.

Section 2

Team Eligibility

Section 2.1 Eligible Teams

Membership shall be open to all Posts within the District. The District is defined as the Counties listed on the District page of the official Department website or any areas added by the Department Baseball Committee.

Any Post may enter a team for competition in this District by completing the new team application form (with approval) by the deadline as indicated in Section 10.

The impact on existing teams recruiting area will be given consideration.

Under no circumstances will more than one (1) team be able to use the same base school.

Teams without a Post sponsorship are also eligible in areas where there is not a Post sponsored team.

Any team that files their final roster with less than 12 players listed will be ineligible for the District Tournament.

Section 2.2 Team Organizational Structure

Each team shall have a Manager appointed by the Post Commander and/or the Post Baseball Chairman. This Manger shall be indicated on the National Team Registration form. The team Manger or his appointed representative should be present at all District meetings.

The Post Commander and/or Post Baseball Chairman is responsible for supervising the play of his/her Post entry, for the team conduct while participating in American Legion Baseball and assure that all rules are fully complied with.

Section 2.3 Forfeits

The refusal to compete fully in the League will result in the forfeiture of the right to play in the District Tournament.

If a team is found to have an illegal player all games that player participated in will be forfeited and count as a loss.

A team does need 9 players to start and finish a game. If a team falls below the (9) player limit that team will forfeit. Each player must be listed on the teams' current national roster submission.

If a team does not have the proper paperwork to the District Director by their first league game, all games that are scheduled will be a forfeit until all proper paperwork is filed.

Any team that forfeits two (2) league games will be disqualified from the District Tournament. Additional penalties may be imposed as determined by the District Director with input from Department Baseball Committee.

NOTE: Any forfeits due to pitch count rule violations will not be counted towards the maximum forfeit rule listed above

A forfeit in the District Tournament will cause offending team to be removed from tournament play and be ineligible for the District Tournament in the following season. The District Director with input from Department Baseball Committee will review the circumstances of the forfeit, with consideration of injuries and other unforeseen circumstances, in determining the team's eligibility for the next season's league play and post season play.

Section 3

Individual Player Eligibility

A player is eligible to compete in the American Legion Baseball program as long as he abides by the American Legion National By-Laws and Player Eligibility requirements. These requirements can be found in the National Rulebook, Rule 2.

The National Rulebook, Rule 4D Transfer rule states that *"A player released from a team must obtain permission on National Transfer Form #76 from that team's manager"*.

Beginning with the 2023 season there will be three (3) levels of American Legion Baseball in the Department of New York: Senior (19U) / Junior (17U) / Prep (15U).

A player is granted an automatic release at each of the following occurrences:

1. At each level of American Legion Baseball, for example a player that has previously played at the Prep Level is granted an automatic release when he advances to the Junior Level and then again when he advances to the Senior Level.
2. Anytime a player's residence change results in a change in school, regardless of any change in level

Transitional rule for 2023 season only. A player that was given a release to a Junior team in 2022 was given that release under the rules that the release was good for the 2022 season only. Therefore, that player would be considered to have a clean slate of eligibility going into the 2023 season and would therefore qualify for the automatic release for the 2023 season to play either Junior or Senior level.

No manager shall deny a form 76 release to any player that qualifies for an automatic release regardless of player age.

A player loses this right to an automatic release once the player participates in a single game for any American Legion team at each level. At the end of the season, if the player is not advancing to the next level, the player can request a release, but the manager does have the right to refuse. (Exception: the team previously played for is no longer participating in the league.)

No dual rostering of players is allowed.

Managers and Coaches are expected to have integrity and reflect American Legion values. District directors will be responsible for settling any disputes that are unable to be resolved at the team level.

Any effort or attempt to undermine, avoid, or abuse this rule in any way will be met with strong disciplinary action by the State Baseball Committee up to and including dismissal of the manager.

Players who graduated in 2022 shall play for the last American Legion team they played for or for the team nearest his parents' domicile.

Section 4

Senior League Rules

Section 4.1

All League Games (as defined below) as well as all Legion games within the State of New York will be conducted in accordance with The Department of New York American Legion official baseball rules as published for that season of play. In games other than League Games or New York Legion Games, teams will comply with the American League National Baseball Rules as appropriate in the circumstances.

Section 4.2

The Fourth District American Legion Baseball League (Senior, Junior & Prep Divisions) will be formed to encourage the most possible Legion play and to determine a team to represent the Fourth District in the Department of New York Baseball Tournament. Similarly, a League will be formed among any Fourth District Junior Legion Teams. Teams desiring to participate in the Fourth District League(s) must express their desire to do so to the Fourth District Director by January 15 of the upcoming season.

Section 4.3

League Play will be scheduled as follows:

Senior Teams will schedule a minimum of 2 League Games against each other team participating in District League Play. If teams schedule more than the forgoing, those teams will determine prior to the start of the season which 3 games will be considered League Games. League Game win/loss records will be used to determine the District Tournament Home (Host) Team.

This assumes that the league will consist of three (3) Senior Teams. If more teams are registered, the games will be adjusted proportionately.

Each team will be required to schedule the minimum amount of League Games as outlined above. Every effort will be made to reschedule League Games which are postponed. If a team forfeits a League Game, such forfeit will be counted as a loss. If a team forfeits one or more League Games during the season, they will be ineligible to play in the District Tournament that season, regardless of their league standing. That

team's reinstatement to League Play in the following season will be subject to the vote of the other voting team representatives.

League Play Section 4.3.1 League schedules will be sent to the Department Chairman prior to the start of league play. League schedules must also be uploaded to the Department website, www.nylegionbaseball.com. Failure to do so will incur a \$200.00 fine for that District.

Section 4.4

Every player and coach on 4th District American Legion Baseball Teams is required to show respect for the United States Flag during the National Anthem. Failure to do so will result in not being able to participate in the game. Continued violations will result in removal from the team.

Section 5
