

***Welcome to the 2020 Spring Skating Session with the FF Skating Club!***

- Each skater is required to participate in Fall FFSC fundraiser. You have to participate in the fundraiser offered at the time of the season's initial registration.
- Skaters have the option of two fundraisers they can choose from. Which fundraiser you would like to take part in is up to you! You can choose: Ole & Lena's, Stumbeanos Coffee OR both. It does not matter which you choose to participate in as long as your profit for the club equals \$120.
- If you choose to forego fundraising, you are able to pay the fundraiser buyout during online registration. Buyouts equal \$120 for 1st skater, \$75 for 2nd skater & \$60 for the 3rd skater.

***NOTE: Skaters 3 years of age and under are NOT required to participate in the fundraiser NOR pay the fundraiser buyout.***
