Common Misconceptions

- ❖ If a JV player moves up for half the varsity games, they must be moved to varsity permanently
- ❖ If a player is rostered on the varsity team, that player must be rostered on a varsity team in subsequent seasons
- ❖ Players can't be added after 12/31.
- ❖ A maximum of 2 goaltenders can dress for a game
- ❖ I have no goaltender for a game, I have to forfeit
- ❖ I only have 6 players, I have to forfeit
