Summer discussion:

- Executive board met and came up with the following idea for Summer soccer programming:
 - we would go to 2 Tournaments : possibly Albertville(June 12-13) and Detroit Lakes(July 9-10) (they are close to home and people would not have to stay overnight if they didn't feel comfortable).
 - We would have friendlies with surrounding towns during the week
 - we would look at having a home soccer Saturday with two surrounding towns
- U11-U18: \$185 (plus additional cost for kit)
- U9-U10: \$125 (plus additional cost for kit) (they would have jamboree and DL tourney)
- We would use the same uniforms from Stimulus this year since many people ordered last year and didn't get to use it.
- Registration would open Feb.15 and be open until Feb.28
- Mike made a motion to approve the Executive team's summer proposal, including the choices of Albertville and Detroit Lakes tournaments. Amy 2nd the motion, all in favor. Motion approved.

Idea for Indoor Elementary Program (K-3): Emmy

- programming for K-3 on Sunday nights before the HS league time
- have smaller pods of kids, have HS players coach each pod, would have 2-3 adult coaches overseeing the whole group.
- parents would drop off and pick up
- we could take a certain number of parent volunteers if they feel like they need to be there for their child.
- \$75 for 8 sessions
- Brandon made a motion to move ahead with the Elementary indoor programming, Tim 2nd the motion, all in favor, motion approved.

-Board members and coaches need to be up to date on background checks. Amy will send out an email with a link for that. Emmy will contact coaches about this.
