Service Hour Information

The Ohio Elite Soccer Academy relies heavily on tournaments and fundraising events for revenue used to fund projects that aid us in providing our organization and participants with the finest professional coaching, state-of-the-art facilities, and optimum competition environments available.

While other clubs benefit from the tournaments and competitions we organize, the final benefactors of OESA sponsored events are the hundreds of Ohio Elite Soccer Academy players. In return for the benefits to the players, each OESA family will be required to provide Ten (10) hours of Club service (July 2018-June 2019) at OESA hosted events. Families will have the option of paying a $300.00 Service Fee in lieu of the Ten (10) hours of Club service. As stated previously, there are many events to choose from to obtain your service hours. These tentative events are listed below.
