## ERYHA Membership Registration Fee (Based on USA Hockey Age-Levels)

\* Skaters at every USA Hockey Participation Level (U8, U10, U12, U14) will pay different fees given the different participation-level guidelines. During the online checkout process at registration, parents will be presented with the option to either pay in full or to pay using an installment payment plan with the first two payments due at checkout and six additional scheduled payments due on the 1<sup>st</sup> of every month from September thru February. This approach allows parents to optionally spread the overall costs of hockey throughout the season.

## ERYHA Team Fees (Based on Rostered Team)

Upon team formations and depending on the team level a player is rostered to (A, B, C), a skater may need to pay an additional ice fee accounting for the difference in ice-time cost that that level is allocated. After teams are formed you will receive an email invoice to either pay in full or to pay using a 4-month payment plan charged on the 15<sup>th</sup> of every month.

## Fundraising Refundable Deposit

In order to offset the costs of hockey, Elk River Youth Hockey runs an annual mandatory fundraising initiative. Each player must sell (6) \$25 raffle tickets. Each family must submit a postdated check for \$150 dollars. You may choose to buy-out of this fee during registration.

## Volunteering

As part of managing the operations side of our association, Elk River Youth Hockey counts on having volunteers involved in our hockey operations. If you do not meet the 15 required family volunteer hours by the end of the season your family will be sent an invoice for \$600.00 that MUST be paid in full. This fee will NOT be prorated if you partially complete your volunteer hour requirement. This fee does NOT apply to families with only a Junior Gold player.

## Late Fee

A late fee of \$100 will be charged when registering after registration closes on August 27, 2020. This fee will NOT apply to Girls U8, Mite, or Junior Gold registration, or to players new to ERYHA.

***\*ERYHA will retain \$200 of registration fees for all registered players who request a refund after tryouts are complete. Refund requests must be in writing to ERYHA Registrar:
