WELCOME TO LAKE WASHINGTON BOYS BASKETBALL, HOME OF THE KANGS!

GREETINGS, KANG NATION!

The joy and excitement of basketball brings Kirkland families together in a truly special way. Our talented youth teams (4th-8th grade) play each year in the Eastside Travel League (ETL) and tournaments. For high schoolers, opportunities extend well beyond this official winter basketball season. High school players participate in offseason training, skill development, league, and tournament play throughout the other nine months of the year. We look forward to seeing how far their commitment, determination, and effort will take them this season.

The Lake Washington Boys Basketball Association (LWBBA) is the official booster organization of volunteers that provides operational oversight and fundraising support for all Lake Washington boys basketball teams year-round. Some of the LWBBA activities include:

- Organizing and managing the Kangs Youth Select program, which includes hiring coaches, securing practice facilities, and coordinating participation in games and tournaments
- Running the Kang youth basketball camp in July
- Providing skill development sessions led by Coach Joey Giovacchini throughout the offseason for high school players and managing fall basketball leagues for high school team players
- Running the Kang Classic summer tournament in June, which hosts both varsity and JV teams from the greater Seattle area
- Hosting high school dinners, senior night, and end-of-year varsity banquet
- Funding travel for tournaments
- Securing new uniforms, practice gear, and equipment
- Coordinating with LWHS coaching staff, school officials and district personnel

DEAR LWHS BASKETBALL FAMILIES,

With the basketball season upon us, I am excited to extend my deepest gratitude to each of you for your support of our athletes, coaches, and everyone who makes our program shine. The commitment, energy, and passion that you bring to our school and this sport are the heart of our basketball program, and we truly couldn't do this without you.

DEAR LWHS BASKETBALL FAMILIES,

I am honored to extend a heartfelt welcome to our dedicated fans, families, and supporters. Our teams are poised to build on their proud tradition of success and eager to showcase their talents before the passionate and supportive crowd that makes each game unforgettable.

HELLO, FROM COACH RYAN

I WOULD LIKE TO WELCOME EVERYONE TO THE 2024-2025 BASKETBALL SEASON

I remain thrilled at the opportunity to coach at my alma mater and look forward to building continued success through strong work ethic and character in all facets of our program. I am fortunate to have an outstanding and energetic coaching staff to help us live up to the mission of our program.

It is the mission of the Lake Washington Boys Basketball Program to educate and empower our student athletes to not only be better basketball players, but more importantly to be better human beings. It is our goal to build a culture within our program that thrives around hard work, positive attitudes, and perseverance. Our focus will be placed on building integrity and character on the court, in the classroom and in the community.

There is so much that goes into a basketball team and program, and for that we are so grateful for all the contributions that so many of you have made. Our players have been working hard for this upcoming season and we are expecting great things from every team from 4th grade through high school.

The coaching staff and I would like to thank you all for your continued support of the Kang basketball program!

MEET THE HEAD COACH

RYAN STAUDACHER

Ryan enters his 12th year as the head coach of his alma mater. Ryan was the 2021-2022 All-KingCo 3A “Coach of the Year” and 2018-2019 All-KingCo 2A/3A co-“Coach of The Year.” In 2021-2022, Ryan led the varsity team to win the KingCo Championships and compete in the state tournament. Previously, Ryan has coached the Kangs to a 5th place finish in the state tournament and made an appearance in the district tournament in 7 of his first 8 seasons. Before becoming the head coach, Ryan was an assistant here at Lake Washington, which included a 4th place in state finish during the 2011-2012 season.

Ryan graduated from Lake Washington High School in 2005, where he was a first team All-Kingco basketball player and first team All-State quarterback. Ryan currently holds all of Lake Washington’s passing records. After he graduated from LW, Ryan accepted a scholarship to play basketball at the University of Montana. Ryan went on to start 91 consecutive games for Montana from his sophomore through senior seasons. He led the Big Sky Conference in 3-point shooting each of those 3 seasons and finished with the 17th best career 3-point shooting percentage in the history of the NCAA. Ryan was also selected to the ESPN Magazine All-Academic team in 2010. The highlight of his career was when Montana won the Big Sky Championship and played in the NCAA Tournament.

While at Montana, Ryan graduated during his junior season with a bachelor’s degree in Finance. He then earned his MBA during his senior season. After his career at Montana, Ryan played professionally in France and Germany, before coming home to join the Lake Washington staff in 2011.

MEET THE COACHES

TRACEY THOMAS
Varsity Assistant Coach

Tracey graduated from Redmond High School in 1987. He attended the University of Washington on a Track and Field Scholarship from '87-'92. After graduation he moved to the Portland area where he coached track and basketball for a couple different high schools. He moved from Portland to Wisconsin where he coached for the Sussex Hamilton Chargers as a Varsity Assistant for the boys basketball program. Coach Tracey has three children that have attended Lake Washington High School — McKenzie, Shelby, and Calvin. This is Coach Thomas' 10th year coaching at Lake Washington High School.

ROB LINSKY
C Team Head Coach

Rob has been involved as a coach and administrator in rec and select hoops on the Eastside for 18+ years. As a player, Rob was a three-year varsity player and two-year sixth man for his high school team on the northside of Detroit. While at The University of Memphis, Rob did post-game analysis and game breakdowns for his campus newspaper. Post college, Rob worked with various Memphis high school programs as a volunteer and paid assistant. He coached his kids Hannah and Sam through rec ball and then into and through the Kangs Select programs and has been involved with the LW Boy's High School Program since 2017.

GARY SCHAUER
Junior Varsity Head Coach

Coach Gary Schauer returns to the LWHS coaching staff for his third season. Gary grew up in eastern WA and was a 3-sport athlete (Football, Basketball, Track) at Richland High School. He attended University of Washington (BSME), and he has been coaching youth basketball and baseball in the area for the past 15 years. Gary also referees youth basketball and has been on local little league boards for the past 10 years. Personally, he remains an active adult athlete who plays basketball, volleyball and softball. He and his wife, Lori, have two children, Rachel and Matthew, who both attended LWHS and UW.

DELANEY FARMER
Athletic Trainer

Delaney is a Licensed Athletic Trainer who received his degree from Washington State University in 2007. Since then, Delaney has been the Athletic Trainer for Sammamish High School for 2 years and with LWHS since Dec. 2010. Outside of LWHS, Delaney is also a Licensed Massage Therapist and runs his own practice in Bellevue. For 7 years, he worked with the Seattle Sounders and spent 10 years with the Seattle Storm as the team massage therapist. During the summer months, Delaney travels the world with USA Track and Field, USA Diving and USA Ultimate Frisbee working with our junior and Olympic athletes, and one day hopes to work at the Olympics.
