

## [Rules/Regulations for NWHL Spring 21 Season](#)

The Rules/Regulations listed below are for safety purposes and follow the All Sports Policy issued by the Department of Commerce and Economic Opportunity (DCEO). All coaches, players, and spectators must follow these Rules/Regulations in order to ensure the safety of staff, patrons, and our facility.

1. Coaches, Managers, and players will be allowed into the HF Ice Arena, 20 minutes prior to game time. Following the game, we will give each team 15 minutes to exit the building.
2. Parents/Guardians/Spectators will be allowed into the facility 5 minutes prior to game time. Following the game, we ask that you exit the building immediately and wait outside for your player.
3. Masks are required at all times inside the facility. Maintain social distancing inside our facility at all times.
4. Each team will receive, 2 locker rooms and/or our hospitality room for social distancing purposes for their game. We ask that players distance themselves from other players while in the locker rooms.
5. Spectators Limit for games is 50 people. This means, HOME teams will have 25 spectators allowed and VISITOR teams will have 25 spectators allowed. Team managers will be responsible for keeping count of spectators. If we see that this rule is not followed, changes may be made to the spectator rule for remaining games.

We understand that the rules may cause some inconveniences to players and families, and we ask that you understand as a Park District facility, we are obligated to follow Park District rules and State regulations. Your patience and kindness in dealing with these regulations is appreciated by all staff of the H-F Ice Arena.
