

# Arizona Region Officials Observation Process

## **I. Purpose of Observation Process:**

1. To provide advancement opportunities for AZ Region Volleyball Officials.
2. To observe and identify the officiating proficiency of AZ Region Volleyball Officials
3. To provide guidance and develop a plan of action based on the feedback received during a rating session.
4. To provide an opportunity for AZ Region Volleyball Officials to be seen by multiple Officials for a reason not limited to the following: potential rating candidate and personal interest for improvement.
5. To improve the overall officiating skills of the entire AZ Region starting with newly rated Provisional(s) Volleyball Officials in conjunction with the standards put forth by USA Volleyball.

## **II. Actual Process:**

1. E-mail a request to for Observation to your Team Leader or Lead Official at the next tournament.
2. Team Leader will be informed of their observation results.
3. If the Observed Candidate does not agree with the outcome of their observation, they have the option to ask again to be observed by another Official.

## **III. OBSERVATIONS:**

1. Will be written on the AZ Region Rating forms but marked as Observation
2. The Observer will go over the information on the AZ Region Rating form for the purpose of enhancement of officiating skills and knowledge.
3. The final results of the Observation session will be given to the Candidate in a timely manner.

## **IV. Helpful Information:**

1. Provisional, Regional and Jr. National Officials must study and know USA Volleyball Rules as written in Domestic Competition Regulations (ex: Officiating Protocols, Techniques and Mechanics).
