

## PRACTICE PROTOCOLS & EXPECTATIONS

### PLAYERS

- Players are to dress at their individual cars and head straight to their team's field.
- Players are required to stay on their assigned field for the duration of practice.
- Players can only arrive prior to practice start times with enough time to dress at their vehicle and take their assigned field. **Players will not be able to be dropped off before practice to warm-up/hang out**
- Players need to bring their own water bottle – NO SHARING WATER BOTTLES
- **Players will not be able to hang around before or after practice**
- Players must keep gloves on at all times during practice
- No sharing equipment amongst players (balls will be the only item that will be handled amongst players (by stick only)
- Players are asked to sanitize all equipment after each practice.

### COACHES

- Arrive 10 minutes before start time to assist in getting players to appropriate field while using social distancing
- While practicing, social distancing must be kept as much as possible amongst players
- MDH encourages coaches to wear face masks but it is not required.

#### IMPORTANT ITEMS TO NOTE

1. If you don't feel well – STAY HOME!
2. ISD 742 will be screening all attendees, if you don't pass the screening, you will be sent home and need to follow "Decision Tree" steps in order to return
3. Let's all work together to keep everyone healthy!
4. If you have any questions, please speak to a Board Member at any time!

### PARENTS

- Parents are to drop off their player with only enough time to dress at the car and take the field.
- Parents must be in the parking lot with 10 minutes remaining in practice so players can go straight to their vehicle after practice.
- Players are not able to hang around before or after practice.
- Parents need to stay in their vehicle at drop off and stay long enough to confirm that their player passes the health screen and is able to take the field
- Parents are encouraged to drop players off and leave or stay in car. If a parent feels they need to stay for the duration of practice, face masks are encouraged and social distancing protocols must be followed (6 ft distance and no more than 25 people in a group)
- Parents: please encourage your players to sanitize all equipment after each practice.
