

Fort Collins Force Competitive Baseball: Tryouts for 2021 Season

Fort Collins Baseball Club, our hometown non-profit baseball club since 1961, will select and field competitive teams (AAA and AA) to begin game play during the 2021 season. As with past years, FCBC will have additional affiliated teams and we will communicate their tryout information as we receive it.

Due to the strength of FCBC's Recreational and Intermediate programs, we will *not* expand the Competitive Program just to gather more players at that level – competitive is not for everyone ... and viable options exist for players 14u and younger who are not on AA/AAA rosters.
