1. Players registered as individual members on a youth team must play for the Hometown Program of residence, except that a resident of a city or town that does not have a registered Hometown Program may join a Hometown Program in another city or town. A member from a city or town that does not have a registered Hometown Program who has joined another Hometown Program shall be deemed to be a member of that Hometown Program for his/her youth hockey career and shall not be considered a non-resident player (as per 3 below) in their original association. In addition, a player may remain a member of the Hometown Program he/she has played for if the player's family relocates to another city/town and that player will not be considered a non-resident player as per paragraph 2 below; however, once the player no longer participates in that original Hometown Program, he/she would be considered a non-resident player (per paragraph 2 below) if he/she subsequently returns to the original Hometown Program (and does not reside in the city or town).
2. Notwithstanding paragraph 1 above, a Hometown Program may register and roster up to three (3) members per roster who are non-residents provided such member does not have outstanding financial obligations to another Massachusetts Hockey or USA Hockey affiliated Association. A simple majority vote is required for approval. There shall be no absentee voting. District Directors and Hometown Program representatives may attend a meeting held for such a vote in another District to state their opinion on the roster exemption; however, these individuals shall have no vote. The District approvals, including rosters or lists of players shall be forwarded to the Roster Committee by the District Registrar within 10 days of the vote for a review. The review shall be limited to established precedents in relation to creating teams from combinations of Hometown Programs, rostering out of state players and the adverse effect of such teams on competition factors for state bound tournaments. The Roster Committee shall notify the District Registrar of its findings within fourteen (14) days. The decision shall be final with no appeal. The decision of the District (or the Roster Committee, if appealed) is valid for the current hockey season only. Petitions for a waiver from the requirements of three (3) non-resident member limit of paragraph 3 above filed after October 15 but not later than December 1st shall be acted on at the next District meeting.

This form is not required in this case.

2. It is the responsibility of the Head Coach to ensure all player names and coach names are listed on the roster pursuant to the format listed in the Massachusetts Game Sheet Label Policies. Failure to properly identify (or strikeout) an ineligible or suspended player or coach on a game sheet for a game in which a suspension is to be served will constitute allowing the participation of an ineligible player or coach. In the absence of the Head Coach, the acting Head Coach must be identified on the game sheet prior to the start of the game.
3. Failure of the player or coach to serve the suspension in the next game or not properly designating a suspended player or coach on the subsequent game's scoresheet, will constitute allowing the participation of an ineligible player or coach.
4. A head coach who allows the participation of an ineligible player or coach in any game shall be subject to a recommended suspension of not less than 15 games. A hearing shall be convened to determine the penalty. Until said hearing occurs, the coach subject to the suspension may not participate as a team official in any USA Hockey game for any USA Hockey team. 7. When a player, coach, or manager receives a game suspension(s), they shall not be eligible to participate in the next scheduled game(s) on the schedule of that team before the incident occurs. No games can be added prior to the next scheduled game for the purpose of satisfying any game suspensions.
8. Players and/or Coaches receiving suspensions during the end of the season shall serve said suspensions at the beginning of the next regular season. Summer team participation will not serve to satisfy suspensions. ## **VIOLATIONS OF OFFICIATING ABUSE – ZERO TOLERANCE POLICY WILL BE MANAGED AS FOLLOWS:**

A. MASSACHUSETTS HOCKEY OFFICIATING ABUSE SANCTIONS FOR NON-PARTICIPANTS (Parents and/or Spectators and all those not on an approved USA Hockey Roster). If the non-participant(s) is removed from a sanctioned youth hockey event by an on-ice or off-ice Official (i.e. Official(s), League or Affiliate Administrator or Arena personnel), or is otherwise reported for abusive behavior by any person(s) in attendance at the sanctioned event, the programs and teams involved will be contacted to provide information on the individuals involved, and if not identified, then the team personnel and/or programs will be subject to discipline for any offenses involving parents or spectators of said teams or programs as investigated and adjudicated by the Massachusetts Hockey's Disciplinary Committee.

Hockey leagues comprised in whole or in part of Massachusetts Hockey Programs shall have the authority to enforce a League approved Officiating Abuse Zero Tolerance policy, which shall include reasonably similar guidelines, enforcement and consequences. The Massachusetts Hockey will work closely with its sanctioned Leagues to support Officiating Abuse Zero-Tolerance.

B. MASSACHUSETTS HOCKEY OFFICIATING ABUSE SANCTIONS FOR PARTICIPANTS

(Club Administrators, Players & Coaches)

USA Hockey Playing Rule 601, governs “Abuse of Officials and Other Misconduct.” Coaches, in conjunction with their organization, prior to the start of their season, shall conduct a meeting with their players and parents to set appropriate expectations, guidelines and penalties to eliminate officiating abuse.

Coaches and players who receive a game misconduct penalty under the Playing Rule 601 during the course of a game are subject to suspension for the remainder of the game and their next scheduled game as provided under USA Hockey rules. In addition, Massachusetts Hockey will impose an additional game suspension as a result of any game misconduct penalty, for a total of two games. Furthermore, if a coach or player receives a second game misconduct penalty under the Playing Rule 601 during the course of the same season, the coach or player will receive an additional two game suspension. Any suspensions imposed pursuant to this policy shall be for the next regularly scheduled game(s) for the team the coach/player was coaching/playing with when penalized.

Any other suspensions related to other USA Hockey playing rules are in addition to the previous mentioned suspensions. It is understood that nothing herein shall restrict or limit the Massachusetts Hockey’s Disciplinary Committee from holding a hearing and imposing any further discipline as may be determined by a hearing panel in addition the aforementioned suspensions.

If any team personnel (coaches and players) collectively receiving three or more penalties under the Playing Rule 601(a-e) during the course of the season, as a result of physical or verbal abuse of a game official, the team personnel, including the coaching staff, shall be subject to Massachusetts Hockey Disciplinary Review including a hearing, as provided in Rule 410 Supplementary Discipline and such discipline may include suspension or expulsion.

In cases of Match Penalties under Playing Rule 601(f)(1) (Deliberately inflicting physical harm, or attempting to do so, to any game official, including off-ice officials) or 601(f)(2) (Deliberately injuring, or attempting to do so, any opposing player or team official), there shall be a mandatory discipline hearing by the Massachusetts Hockey Disciplinary Committee. If, after a discipline hearing the penalty is confirmed by a preponderance of the evidence, the offending party shall be suspended for not less than one calendar year from the date of the penalty, with an additional one year of probation to follow the suspension per USA Hockey Bylaw 10. (D) (3) (D).

#### ABUSE ENFORCEMENT (Officials)

USA Hockey provides its registered Officials specific playing rules to discourage Officiating Abuse. All Officials within the Massachusetts Hockey are compelled to enforce such rules with very little latitude. All Massachusetts Hockey on-ice Officials shall use this policy as defined below:

In accordance with Rule 601, physical and/or verbal abuse by a participant must be called if it is evident. While we understand that an Official may sometimes believe that providing some latitude is appropriate “game management,” that approach has, in part, created the necessity where “Zero Tolerance” must actually mean “ZERO TOLERANCE.” Official(s) refusing to enforce Rule 601 violations shall be disciplined according to the current Massachusetts Hockey and USA Hockey requirements.

At the first sign of any inappropriate, hateful or abusive remarks by non-participants, the on-ice

Official(s) shall first report the conduct to the head coach of both participating teams and issue a warning. The Official(s) shall also advise that the head coach should direct an assistant coach to address their attending non-participants. Should both head coaches refute knowledge of the individual, the coach of the “home” team will have responsibility to address the spectator(s) or may be sanctioned with a two game suspension.

Should hateful or abusive remarks continue after the warning, the on-ice Official(s) shall advise the head coach of the home team to immediately contact arena management to clear the spectator(s) from the arena.

All warnings and subsequent issues shall be documented on the scoresheet and by the on-ice Official(s) through the USA Hockey Online Game Incident Report. The official will utilize the USA Hockey Online Game Incident Report to document and communicate the removal of any person(s) attending a USA Hockey sanctioned game. These Incident Reports are automatically electronically distributed to the Massachusetts Hockey Executive Director, Chairperson of the Discipline Committee and the Referee in Chief. The official(s) will also report such behaviors to the game assignor. A representative from Massachusetts Hockey will reach out to the league and team to address the issue. Hockey leagues comprised in whole or in part of Massachusetts Hockey Programs may impose additional duties of their game Officials related to the enforcement of Zero Tolerance, which may be subject to Massachusetts Hockey Referee-in-Chief or their designee’s approval.

## **COACHING CODE OF ETHICS**

All coaches who have not previously signed the Participant Code of Conduct with their Program will be required to sign this form prior to starting their coaching activities. The participating Program will keep the forms on file.

## **CONFLICT OF INTEREST**

Officers and Directors of the corporation (Massachusetts Hockey, Inc.) shall not engage in any activity that violates their duty of loyalty to the corporation and presents a conflict of interest in their position with the corporation without disclosing the involvement in such activity to the President of the corporation and without securing approval of the involvement in such activity from the President, Board of Directors, Committee, District or Division as appropriate.

A conflict of interest exists when an individual's actions and/or relationships present the potential for improper personal gain or advantage or an unfavorable effect on the interests of the corporation as a result of the individual's position in the corporation. Conflicts of interest relate to and arise from, including but are not necessarily limited to self-dealing and interested transactions between the corporation and its Officers and Directors, the purchase and sale of goods and services, the use of corporate assets for a private benefit, the interference with or appropriation of a corporate opportunity, the acceptance of gifts, entertainment and/or favors and failure to deal fairly with the corporation and its Directors and members.

Additionally, Officers and Directors shall exercise reasonable care not to disclose confidential information acquired in their official capacity with the corporation, the disclosure of which might be adverse to the corporation, and no Officer or Director shall use confidential information for his or her own personal gain.

This conflict of interest policy shall apply to the Officers and Directors of the corporation and their family members and any other organization under their control. For purposes of this policy, a family member is a spouse, parent, child or spouse of a child, brother, sister or spouse of a brother or sister. Control exists if an Officer or Director or family member owns, directly or indirectly, at least 50% of the stock ownership or membership interests of another organization or has the right and/or ability to control the management and policies of another organization. Officers and Directors who anticipate having a conflict of interest shall report the conflict to the President of the corporation, or to an individual or committee designated by the President, immediately upon identifying the conflict. The President or his/her designee shall report the

conflict to the Board of Directors, committee, District or Division that is considering, or has considered, the transaction to which the conflict applies. The transaction shall be approved by a majority vote of the deliberating body, but in any case the Officer or Director who has the conflict may not speak or vote on the matter and shall not be counted for purposes of a quorum. The record of the proceedings shall reflect the required disclosures and the Officer or Director's ineligibility to vote.

In the event that there is any inconsistency between this Conflict of Interest Policy and the laws of the Commonwealth of Massachusetts, the laws of the Commonwealth shall govern. By virtue of their position as Officers and Directors of the corporation, their involvement in monthly and annual meetings of the corporation and their receipt of copies of the corporation's Bylaws and Rules and Regulations, the Officers and Directors of the corporation acknowledge their understanding of, and agreement with, this Conflict of Interest Policy.

Any violation of this Conflict of Interest Policy shall be dealt with using the removal procedures as set forth in Article IV, entitled "Board of Directors," of the corporation's Bylaws.

## **GRANDFATHERING**

Without explicit exemption in the rule, none of these Rules and Regulations have in any way, shape or form a "Grandfather Condition or Clause."

## **USA HOCKEY ASSOCIATE REGISTRARS**

USA Hockey Associate Registrars are cautioned against accepting too many jobs and responsibilities in Massachusetts Hockey. The fact that they have leadership qualities is the reason for their appointment as District/Divisional Registrars. Two major problems develop from taking on additional duties: 1) Registrars do not have enough time to do one job properly; and 2) there can be a conflict of interest when matters of controversy arise.

## **COACH HELMET USAGE ENFORCEMENT POLICY**

As per USA Hockey Rules and Regulations; A. All ice hockey coaches and instructors of registered USA Hockey Youth 18 & Under and below, high school, girls'/women's 19 & under and below, and disabled programs must properly wear an approved ice hockey helmet during all on-ice sessions, including practices, controlled scrimmages and all Coaching Education Program clinics and/or workshops. Failure to comply will result in a 30 day suspension from all activities involving USA Hockey registered programs.

The label shall list jersey numbers, last name, first name. In addition, the label shall must list all coaches who are approved on the roster with CEP #, CEP Level Number, CEP Level Expi-

ration year as well as the association code with team number. If volunteers (ie. parents in lieu of a certified coach) are on the bench, their first and last names must be placed on the scoresheet. Failure to comply with this policy may result in fines and/or discipline to the association.

In instances when electronic scoring (such as Gamesheet, Inc.) is used in lieu of paper scoresheets, a member of the coaching staff must certify prior to the game that all players present are listed on the electronic game roster and that all coaches present on the bench are listed and have completed all CEP requirements, Safesport and Background check. If volunteers (ie parents in lieu of a certified coach) are on the bench, their first and last names must be placed on the electronic game roster. Failure to comply with this policy may result in fines and/or discipline to the association. ### **HEADS UP DON'T DUCK POLICIES**

Any player who is penalized for a check from behind resulting in a game misconduct or a match penalty shall engage in remedial training, including watching the Heads Up Don't Duck video. **Social Media Policy:** At Massachusetts Hockey, we understand that social media can be a fun and reward-

ing way to share your life and opinions with family, friends and co-workers around the world. However, use of social media also presents certain risks and carries with it certain responsibilities. To assist you in making responsible decisions about your use of social media, we have established these guidelines for appropriate use of social media.

**Social Media and Content:** In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating or posting information or content of any sort on the Internet, including to Facebook, Twitter, Instagram, Tik-Tok, your own or someone else's web log or blog, journal or diary, personal web site, social networking or affinity web site, web bulletin board or a chat room, whether or not involved with or affiliated with Massachusetts Hockey, as well as any other form of electronic communication. The same principles and guidelines found in Massachusetts Hockey policies and three basic beliefs apply to your activities online. Ultimately, you are solely responsible for what you post online. Unless provided specific authority to do so, Mass Hockey Representatives should not utilize any Social Media handles or accounts that give the impression that they are associated with or affiliated or acting under Massachusetts Hockey's authority or control.

Before creating online content, consider some of the risks and rewards that are involved. Keep in mind that any of your conduct that adversely affects your role with Massachusetts Hockey, or adversely impacts the reputation, integrity or legitimate business interests of Massachusetts Hockey or any other Mass Hockey Representatives of Massachusetts Hockey legitimate business interests may result in disciplinary action.

**Media Contacts:** Mass Hockey Representatives should not speak to the media on Massachusetts Hockey's behalf without first contacting Mass Hockey's President or Executive Director. All media inquiries should be directed to the President or Executive Director of Massachusetts Hockey.

**Know and Follow the Rules:** Carefully read these guidelines, ensure your postings are consistent with these policies. Inappropriate postings that may include discriminatory remarks, harassment, and threats of violence or similar inappropriate or unlawful conduct will not be tolerated and may subject a member to disciplinary action.

Below are some guidelines for the use of social media:

**Avoiding Harassment:** Mass Hockey Representatives must not use statements, photographs, video, or audio that could reasonably be viewed as malicious, obscene, threatening, or intimidating toward customers, Mass Hockey Representatives, or other people or organizations affiliated with Massachusetts Hockey. This includes, but is not limited to, posts that could contribute to a hostile work environment on the basis of race, sex, sexual orientation, disability, religion, national origin, or any other status protected by state or federal law.

**Avoiding Defamation:** Mass Hockey Representatives must not post anything they know or suspect to be false about Massachusetts Hockey or anyone involved with it, including fellow Mass Hockey Representatives and clients. Writing something that is untrue and ultimately harmful to any person or organization is defamation and can lead to significant financial liability for the person who makes the statement.

**Confidentiality:** Mass Hockey Representatives must maintain the confidentiality of Massachusetts Hockey's trade secrets and confidential information. Trade secrets include, but are not limited to, information regarding the development of systems, products, and technology. Private and confidential information includes, but is not limited to, customer lists, financial data, and

Representatives should be clear and open about the fact that they are a member of Massachusetts Hockey or affiliated with Massachusetts Hockey but that their views do not necessarily represent those of Massachusetts Hockey. Any postings that adversely impact the reputation, integrity or legitimate business interests of Massachusetts Hockey or any other Mass Hockey Representatives of Massachusetts Hockey legitimate business interests may result in disciplinary action.

Accounts: Mass Hockey Representatives must not use Massachusetts Hockey's email addresses to register for social media accounts unless doing so at the request of the Board of Directors or Executive Board. You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster. You are still able to print Rosters if you want. If you do print a Roster, be sure to print from the link. This is the Official Roster but with limited player information. Please make sure you have assigned at least one coach to each Team Roster; preferably a coach certified at Level 3 to begin the season.

The Credential Verification Form is available through the Reports button and can be created for each team. Please use this form for all teams going to the State/District tournament. The columns A-D labeled “Local Use” do not apply and can be left blank.

## NON-US CITIZEN INFORMATION

International Ice Hockey Federation regulations require that all non-U.S. citizen players on youth and girls/women’s classification teams be transferred by means of a letter of approval. There is no fee to process this written transfer for youth-aged players. Under Forms in your Registry, there are three Transfer Forms – one for Canadian Women, one for Canadian Youth and a separate one for all other non-U.S. citizens. Complete the appropriate form for all non-U.S. citizen youth and girls/women’s players in your program before games are played. There is a fee for transferring women’s players 18 years of age or older on national championship bound teams along with male players 18 years of age or older.

In addition to a completed transfer, non-U.S. citizen youth and all non-US citizen female players must also provide proof of resident status in the U.S. This information should be kept with the team registration materials and should be provided prior to regular season games. Additional information is available on the Youth Transfer Forms.

When a non-U.S. citizen's transfer is complete and proof of resident status has been approved by the national office, the player's record will be marked as "Transfer Complete" in the national database. There is a column on the Player Roster and on the Credential Verification sheet that identifies non-U.S. citizens. If the symbol is an O, the transfer is not complete. If the symbol includes a T (valid visa) or S (student visa), the transfer is complete.

There is a rule limiting the number of non-U.S. players in this country without their parents (student visa) for participation on Youth and Girl's National Tournament bound teams. All girls' national championship bound teams are restricted to only two (2) players, and all youth national championship bound teams shall be restricted to only four (4) players, in either case, that are non-U.S. citizens temporarily residing in the U.S. under any combination of the following immigration visa categories: F. Academic Students; J. Exchange Alien Visa; P. Athletes and Entertainers [excluding their spouses and children under visa category P-4]; Category M. Non-Academic Student and Q. International Cultural Exchange Program participants. This restriction does not apply to non-U.S. citizens temporarily residing in the U.S. under category P-4, referenced above, or other visa categories not referenced above, excluding category B. Temporary Visitor.

There are a number of Forms available through your Registry including the Participant Accident Claim Form. Click on Forms to access.

Before you sign a claim form for USA Hockey, make sure that the participant is properly registered with your association.
