GOAL SAFETY IS THE MOST IMPORTANT THING FOR EVERY COACH AND PARENT

Coaches, when you have practice please make sure to keep all kids off the goals and all goals must be sand bagged. Even if you are only using one of the goals, they both must be sand bagged always. When you are through with practice please put the goals back together and move the sandbags back to the light poll.

Coaches if you have the last game of the day please help us put the goals back together and move them off the field please.

Players will need shin guards and cleats; shin guards must always be worn during all practices or games.

Each player will need a soccer ball.
