

## 2026 WBYF Quarterback Training Camp - Coach Bruce Carpenter Bio

### **Coach Bruce Carpenter: Player Development & Organizational Consulting Specialist**

Bruce Carpenter is a highly accomplished football coach, currently serving as the Co-Head Football Coach at Two Rivers High School in Mendota Heights, Minnesota. With 22 years of total coaching experience, Bruce leverages strategic expertise from the highest levels of the game to elevate performance for individual athletes and enhance the effectiveness of youth football organizations.

### **Expertise in Training & Player Development**

Bruce has a strong track record of training youth and high school student-athletes for a number of years. His deep understanding of athletic performance is based on firsthand experience coaching at every level, ensuring comprehensive development:

- **Skill Position Mastery:** His collegiate background includes coaching ALL offensive skill positions (QB, RB, WR, TE), providing athletes with specialized, position-specific training and a strong grasp of the knowledge needed to maximize on-field performance.
- **Elite Offensive Strategy:** Drawing on 11 years as a Collegiate Coordinator (Winona State University, University of Montana Western, Chadron State College), including his most recent role as the Offensive Coordinator at the University of St. Thomas (through their inaugural Division I season in 2021), Bruce offers training rooted in cutting-edge strategy and execution.
- **Leadership & Fundamentals:** As a former captain and record-setting quarterback at Winona State University, he provides specialized insight into quarterback play, leadership, and the essential fundamentals required for sustained success.
