

TGSL Safety Guidelines

General

Dugouts: dugouts at each Field will be **CLOSED** to all participants and will **ONLY** be open to coaches for the purposes of field setup or tear down.

Equipment: participants will be instructed to hang their equipment bags against the fences on the fields or on the ground in the outfield area with the proper physical distancing between equipment bags. Participants will also be instructed to **not share any personal equipment** such as gloves, helmets or bats. **Balls can be shared but only when exchanging between a common pair of participants.**

Bleachers: the existing Bleachers on Field 1, 2 and 3 will be **taped off** to ensure they are not used at any time with no exceptions.

Restrooms: Port-O-Potties will be open and available at Levy for usage during field activity. We have 2 Port-O-Potties behind Field 1 and 1 Port-O-Potty behind Field 3. Port-O-Potties are regularly **cleaned on a recurring weekly schedule and a hand-washing station along with hand sanitizers will be available** near the Port-O-Potties behind Field 1.

Roles & Responsibilities

Board of Directors

The following are guidelines that all of our **TGSL Board of Directors** will adhere to when conducting our program:

- The TGSL Board of Directors will instruct any coaching staff exhibiting symptoms to **stay home**.
- The TGSL Board of Directors will advise that coaching staff bring **hand sanitizer** to use before, during, and after activities.
- The TGSL Board of Directors will advise coaching staff to **wear masks** at all times during activities.
- The TGSL Board of Directors will advise coaching staff to **bring their own equipment** in order to conduct any activity.

Coaching Staff

The following are guidelines that all of our **Coaching staff** will adhere to when conducting our program:

- The Coaching Staff will **communicate** with all participants leading up to activities on COVID-19 preventative measures.
- The Coaching Staff will conduct daily **self-evaluation** assessments. Anybody experiencing symptoms or living with somebody experiencing symptoms must stay home.
- **The Coaching Staff will perform symptom checks (general questions regarding health and a temperature check) for every participant before the beginning of an activity. Anybody experiencing symptoms, such as coughs, shortness of breath, chills, sore throat, loss of taste or smell, and/or having an elevated temperature, or knowingly living with somebody experiencing symptoms, must stay home.**
- The Coaching Staff will ensure that participants, coaches and **parents** are following COVID-19 prevention measures.
- **The Coaching Staff will wear masks at all times and be instructed to wash masks after every use.**
- **The Coaching Staff will ensure all youth participants in the activities wear masks at all times unless they are maintaining 6 feet of separation (at least 8 feet if under heavy exertion). They can temporarily remove their masks when farther apart than 6 or 8 feet respectively.**

- The Coaching Staff will ensure all parents/guardians in attendance **wear masks** at all times.
- The Coaching Staff will bring **hand sanitizer** and will be encouraged to apply hand sanitizer at the start and completion of activities.
- The Coaching Staff will always be at least **6 feet apart** from participants throughout the duration of the activity.

Participants

The following are guidelines that all of our **participants** will adhere to when participating in our program:

- Participants will conduct daily **self-evaluation** assessments. Anybody experiencing symptoms or living with somebody experiencing symptoms must stay home.
- Participants will be **required to wear masks** and can temporarily remove when at least 6 feet away from others or 8 feet away when under heavy exertion.
- Participants will be recommended to bring and frequently use **hand sanitizer**. Upon arrival and upon completion, participants will be advised to sanitize their hands.
- Participants will be advised to always remain **at least 6 feet apart** from other participants or coaching staff.
- Participants will **bring their own equipment bags** that should be hung up or placed on the ground at least 6 feet apart.
- Participants will be advised to **not share any of their personal equipment**, including bats, helmets, training tools, etc.
- Participants will be advised to **not share water bottles**.

Parents/Guardians

The following are guidelines that all of our **parents/guardians** will adhere to when participating in our program:

- Parents/Guardians will conduct daily **self-evaluation** assessments. Anybody experiencing symptoms or living with somebody experiencing symptoms must stay home.
- Parents/Guardians will be advised to limit onsite presence during activities to **immediate household members** and to limit presence to only **ONE** person per participant, if possible.

- Parents/Guardians will be advised to **remain in their vehicles**, if possible, as an additional precautionary item.
 - Parents/Guardians will be required to **wear masks** when present during activities.
 - Parents/Guardians will be advised to **sanitize** their hands upon arrival and completion of activities.
