a. Coach Vance

- i. Coach Vance has been discussing the needs of the boys and girls athletic departments and the consensus is that the weight room in the field house needs renovation. The space is too small to accommodate sports to be able to efficiently get work outs in.
- ii. Coach Vance has been working on quotes for flooring and equipment.
- iii. Equipment costs include additional dumbbells for the weight room in the school. Equipment quotes including increasing the amount of racks in the current space.
- iv. Quotes:
  - Flooring: \$32K/\$50K
  - Equipment: \$100K / \$105K / \$177K
- v. This is a large significant amount of money that will require ongoing fundraising. The Athletic Booster Club will begin researching fundraising and looking into writing grants.
- vi. The Athletic Booster Club will create a line item in the budget for "Facilities" in order to keep money building for these sort of improvements and needs.

b. President

i. Concessions Update

- Need to refresh sports about expectations with operating concessions - how many people, 18+ years old in order to operate the

check out, limit of how many people can be present, no younger children, no eating, etc.

- If a sport does not fully staff their time slot and a board member is required to stay and work, the sport will receive 10% instead of the 20%.
- There are still several openings for concessions to be opened and closed and we need more help.

#### 6. Open Floor:

##### a. Baseball / Softball

- These sports need a new drag to level their fields. Theirs is broke. They came up with a DIY fix to manually drag the fields and that even broke. They desperately need one before the season kicks off.
- They need \$720.00 to purchase a brand new one that will be shared between the two fields.
- Motion made by Paige.
- No Discussion
- Motion Passes

##### b. Cheer

- Cheer is in desperate need of two more mats for their 9 mat floor for competition practice. Their mats are old and are missing chunks of foam which poses a safety risk. They also need 7 new rolls of velcro from having to apply and take off since cheer doesn't have a dedicated space to practice.
- Cheer is requesting \$1205 to cover 50% of the mats. They received two quotes with similar pricing.
- Motion made by Paige
- No Discussion
- Motion Passes
