Beat the Heat Players and Families,

As Director of Visit Edmond, I have the honor of welcoming you to Edmond, Oklahoma - a community with all the comforts of a small town and the amenities of a big city nestled on the crossroads of I-35 and historic Route 66.

Now is the time to explore Edmond. In between games, spend time exploring our eclectic retail establishments, quaint downtown, excellent municipal parks and trails, sports facilities, live music and theater, and more.

Kid-friendly activities and community events are available year-round and Edmond's indoor attractions provide fun for everyone, regardless of our Oklahoma weather. Heard on Hurd, the Edmond Arts Festival, VIBES First Thursdays, and events that you can't miss.

Stay up to date about all there is to do and how to connect with the community by going to VisitEdmondOK.com and following us on social media at @VisitEdmond.

We'll see you around town!
