

Vancouver Community Baseball

July 3th, 2020 Season Update

Dear VCB Players, Parents, Coaches, Sponsors and Volunteers,

Based on the information provided by: Baseball BC, BC Minor Baseball, ViaSport and the Vancouver Parks Board, as of today, July 3rd, there has been no definitive date issued for resumption of baseball games for the remainder of the 2020 baseball season. Therefore, with great reluctance, the Board of Directors is informing our baseball community that VCB is cancelling our 2020 season. We all share our deep disappointment at this outcome after such a long and patient wait.

This means:

1. VCB does NOT have park permits and does NOT sanction any baseball practices, scrimmages or games at any of our normally permitted diamonds.
2. VCB will issue full refunds for registration fees (we appreciate your patience as our volunteers work through this process).
3. VCB will issue full refunds to our sponsors.
4. All equipment to be returned to GENERAL STORE ALL on Sunday, July 5th between 10:00 am and 12:00 noon.

Until there is a known cure for COVID-19 VCB baseball, as we know it, will likely be different. The Board of Directors will continue to monitor and inform our community about the health and safety guidelines established for baseball in 2021. We thank our VCB baseball community very much for your patience and understanding and look forward to enjoying baseball next season.

Board of Directors
