

ABDUL MUSTAFA

Coach Abdul is entering his second year of coaching with ZYSA.

The native of Sudan was born in Abu Dhabi. As soccer is the most popular sport in this country, Coach Abdul started playing at a very young age, eventually competing for clubs there before moving to Hamilton County (Hamilton Southeastern High School). Coach Abdul continues to compete in leagues and tournaments across the state of Indiana.

He is a recent graduate of IUPUI, where he studied Sports Management, Coaching, and Sport Tourism Development.

In addition to his coaching experiences at ZYSA, Coach Abdul has worked with young players at Jump Start, YMCA programs, as well as Indiana Futsal. His love for coaching started, “when I realized that I see things differently when I’m on the pitch and realized that I have a talent in helping others to see that too and make their game better.”

Coach Abdul will earn his USSF Grassroots and National D licenses this club year.
