

CHESTERFIELD HOCKEY ASSOCIATION

COVID-19 Update # 3: A message from the Chesterfield Hockey Board of Directors

March 25th, 2020

Hello Families

We hope everyone is doing well and staying safe! These are certainly unique times; we're all in this together and your support has been greatly appreciated!

As you have seen in the news; St. Louis County issued a 30 day "Stay at Home" order & the closure of non-essential business, **which includes our ice rinks. Schools remain closed and administrators have extended their opening decision until April 22nd.** While this is a challenge for all of us; we know this is a short term impact to our daily lives and that things will return to normal soon.

As such, we want to clearly state that while our Spring programs are paused for the moment - we will start them back up as soon as we are allowed to resume business. Nothing is being cancelled; it's just being pushed back. We know everyone will be ready to jump back on the ice as soon as allowed; and we are looking forward to kicking off a set of fun Spring programs at the Maryville University Hockey Center.

Our target start dates for resuming programs at the Maryville University Hockey Center will coincide with a change to the current St. Louis County "Stay at Home" order and the startup of schools. These programs include the Chesterfield Hockey Spring programs (Spring Development & Spring Learn to Play) as well as the Maryville University Hockey Center rink programs.

Separately, we wanted to inform everyone that we are in the process of bringing the Pacific Ice Rink down for annual maintenance. This is normal facility maintenance that has been scheduled for sometime, and it will have no impact on Spring or Summer programs with the Chesterfield Hockey Association.

As always, we will continuously monitor the situation and keep you updated on the latest news.

You can find the status of our operations on the following websites:

- ChesterfieldHockey.com
- MaryvilleUHC.com
- PacificIceRink.com

Thank you for your support!
We anticipate seeing you soon!
