Mandatory Equipment Needed:

Helmet, Stick, Pads (shoulder pads & elbow pads), Gloves, Cleats, Mouthpiece & Protective Cup

Player Fees & Required Uniform:

- ◆ The Registration Fee for the Spring Season 2021 is \$300
- ◆ We are using our current Uniforms from Spring 2020; if you need to purchase a uniform you will be able to do so thru registration for \$85.00. Middle School ordering deadline will be 2/1/21. Developmental orders will need to be placed by 2/20/2021.

Spring 2021 Player Registration:

We will be utilizing a registration system called SportsEngine this year. This will allow you to complete your registration, pay your fees for the season and complete all the necessary documentation online. Below are the items you WILL NEED to complete upon registration via the new website.

- ◆ US Lacrosse Membership: Must have a current (thru 6/1/2021) membership number to register. This is a requirement since our insurance is contingent on all participants being members of US Lacrosse.
- ◆ Upload Sports Physical Form provided by your doctor (We do not have access to FINAL FORMS; you will need to upload a PDF of the same form.) This is a typical and generic Sports Physical Form provided by your Pediatrician.

*****Your player cannot participate until all registration requirements are complete & payment is received*****

Team Communications:

We will also be using SportsEngine for all team communications. Once our team rosters are set and all players have been assigned to their specific team, you will receive a communication to join the team via SportsEngine and a phone app will also be available for download. This will be our only line of communication for practice cancellations, game times, etc. So, very important that each parent downloads the app or you will miss important communications in the future.

Team Store:

We will be opening a team store within the next week. We will communicate the website to you once it is ready and you will be able to place your order with items delivered directly to your house. This will include nonrequired items such as shooter shirts, hoodies, hats, socks, etc.

We look forward to a great season for the Grassland Boys Lacrosse Team. If you have any questions or need information, please contact us at the email address below.
