*Kickstart age group does not need shin guards or cleats, unless the player wants to wear them. Most likely we will split into smaller subgroups to help ensure an energetic, fun, active and smooth session. Groups will be determined on number of registrants and will not be published until the week prior to start.

**Jumpstart age group MUST have proper equipment like cleats (or turf shoes) and shin guards. Players do not need to bring their own soccer ball unless they want to. Please bring more water than necessary and dress for the elements.

***Touchsmart age group MUST have proper equipment like cleats (or turf shoes) and shin guards. Players do not need to bring their own soccer ball unless they want to. Please bring more water than necessary and dress for the elements.
