

## APHA 2018-19 Registration

### STEP 1 - Respect in Sport Program for Parents:

The parent that is registering their player, if they have never done so in previous seasons, **MUST** register and complete the **Respect in Sport Parent Program**. **Please Note:** This is a different program than the coach/roster Respect in Sport program and must be completed by any parent registering their child for hockey. Anyone that has completed the coach/roster RIS program, **MUST** now complete the Parent RIS program, **before** you will be able to register a child for hockey in the upcoming 2018-19 season

### CLICK BELOW TO TAKE THE ONLINE PARENT PROGRAM COURSE

<https://hmbparent.respectgroupinc.com>

#### 1. How will the family accounts of the Respect in Sport Parent Program link to the HCR?

At registration, the parent must associate a child or children to their profile (Child Management) where an association must be selected. After a parent is certified, and assuming he/she has associated a child(ren) to their profile, the HCR record of the child is updated under Clinics and Qualifications, including the Respect in Sport certificate number. **Please make sure ALL your children are linked!** Then click on No Further Children to Add when done.

#### 2. What are the payment options for the RIS for Parents online course?

The payment is done through PayPal, by credit or debit card.

### STEP 2 – Registering & Online Payment:

Registration & payment for the upcoming season will again be completed online using Hockey Canada's registration system.

<https://registration.hockeycanada.ca/Registration/?ID=944>

Please follow the instructions below to complete your registration.

1. Login or create a new account. If you have used Hockey Canada's online registration system in the past you can use the same email address to login again. Otherwise you will need to create an account.
2. Following the instructions on the Hockey Canada web site to complete the registration for each child.
3. Once you have completed your registration & community club fee and paid online with Visa or MasterCard using the "Checkout" you can print your receipt and bring a copy to your club during their registration dates to complete your registration. Most of our community clubs have volunteer bonds (Phoenix, Westdale, Roblin Park & Corydon) and must be paid before any player can go on the ice for tryouts, please check with your club. Those who are paying by cash (sorry no cheques this year!) please bring your cash to the APHA in person registration payment dates Sept.9, 12-4 pm & Sept.11, 6:30-8:30 pm at Roblin Park CC. **All parents & players paying by cash at the APHA in person registration payment dates and all subsidy applications must be paid, filled out and returned to your community centre BEFORE tryouts or your child will not be allowed on the ice!**
4. If you are trying out for AA Rangers (ages 11+) you register online on their website. <http://www.apharangershockey.ca/>
5. If you are trying out for AAA Monarchs (Ages 13+) you register on the Hockey Winnipeg website. [www.hockeywinnipeg.ca](http://www.hockeywinnipeg.ca)
6. If you have any questions regarding registration please contact your community club hockey director.

### 2018-19 APHA Fees

FEMALE MIDGET A, MIDGET A	\$625.00
NOVICE A1, MINOR ATOM A, ATOM A, MINOR PEEWEE A, PEEWEE A, BANTAM A	\$530.00
FEMALE NOVICE A, FEMALE ATOM A, FEMALE PEEWEE A, FEMALE BANTAM A	\$530.00

HOUSE LEAGUE 7/8	\$430.00
HOUSE LEAGUE 5/6	\$330.00
MANDATORY COMMUNITY CLUB PARTICIPATION FEE (all 6 clubs)	\$25.00

**\*Note your community club may have volunteer bonds in addition to the fees above.**

### **STEP 3—Register for our Sports Engine -APHA website**

- We have created a brand new website [www.aphahockey.ca](http://www.aphahockey.ca) to allow us to better manage our player's information, tryouts schedules, email lists, team lists, house league, etc.
- Please register with our Sports Engine website link below to create your profile with the APHA, this is separate from the Hockey Canada online registration above.

<https://aphahockey.sportngin.com/register/form/948167961>

### **STEP 4 - Hockey Winnipeg will implement the following changes to our program/leagues for the 2018/19 hockey season**

- The A3 & A2 category for all Bantam - Midget divisions will be Non Body Checking.
- Bantam A1-A3 is now a combined age category (age 13-14)
- Midget A1-A3 is now a combined age category (ages 15-17)

### **STEP 5 - The APHA has implemented the following changes to our male program (age 8-17) for the 2018/19 hockey season.**

- We have re-branded our male hockey program this season, not including the AA Ranger program, all APHA male hockey teams fall under the "Winter Hawks" name. This will be consistent through all male hockey in the APHA regardless of the community club that hosts a particular age group. New Adidas Pro jerseys and uniforms have been purchased and they look amazing!
- As an ongoing process, there will be a greater emphasis on coaching and player development that will follow Hockey Canada's guidelines for hockey players that register to play hockey within the APHA. A coach mentor will be assigned to the program to support and ensure that coaches are following these guidelines. Coaching applications will be available online for the male program similar to the female program.
- In the future, we will be working on having more development camps throughout the year to be offered to APHA boys & girls looking to improve their hockey skills.

#### **APHA Tryouts**

Welcome back to another year of hockey and great fun! As each season starts with registration it quickly follows with tryouts. The hockey directors from the six Assiniboine Park Hockey Association (APHA) community clubs have reviewed the tryouts from last year and are looking to make improvements again this year.

Most of the logistics of the tryouts will be the same as last year, including how the evaluations will be conducted. The APHA has again hired a group to perform the evaluations instead of volunteers. By hiring a group of dedicated and knowledgeable hockey staff the APHA is hoping to provide consistent and fair player evaluations.

#### **Team Formation and Amalgamation**

When you register your son or daughter for hockey you do so as part of the APHA. While you may register at your home community centre, your player could end up playing on a team hosted by another community centre. After registration, but prior to tryouts, the member community centres of the APHA meet to determine how many teams there will be at each age group. This decision is based on rules set by Hockey Winnipeg and by the number of children registered at each age group across the entire APHA.

Hockey Winnipeg rules require all players to compete in an association-wide tryout process at each age group. This means that all players will be pooled together from all community centres to create teams.

During this process it is also decided which community centre will host each team. All community centres want to host teams. The hosting community centre does not have to have the majority of the players on the team.

As you prepare your hockey players for another season, the hockey directors wish everyone the best and hope you have a positive experience during tryouts.
